

These Proceedings were provided to me.
They were scanned some time back and some are hard to read.
But they are readable for the most part.
If anyone has a copy of the Proceedings these year's that they
would photograph (or have someone that will photograph them)
so that the information is more readable
I would greatly appreciate them doing this and
sending the copy to me.
The early books are very fragile and I would not try to scan.

ADDRESS OF WELCOME.

BY MRS. MAMIE LEDDY.

Grand Matron, Grand Patron, Officers and Members of the Grand Chapter of Texas, Order of the Eastern Star:

The honor of delivering this address of welcome I accepted with some misgivings, but with a reasonable degree of pleasure. It affords me great satisfaction on this occasion in behalf of Dallas Chapter No. 1 to bid you welcome.

I may not be permitted to use the stereotyped phrase so often used by Mayors on occasions of this kind, that the "City with all of its privileges are yours," but I can assure you that all of the privileges necessary to the transaction of your business and such pleasures as you may see fit to enjoy shall be granted you.

I welcome you in behalf of the city of which we are so justly proud. You will pardon my egotism if I say, we are proud of our city, proud of its business houses, its workshops and factories; proud of our churches, our schools and universities, whose doors are always open for the dissemination of useful knowledge; proud of our benevolent institutions, whose doors are open to lend assistance to the unfortunate ones upon whom the hand of God has rested heavily; but prouder still of the hospitality of our people.

More especially do I welcome you as members of the Order of the Eastern Star, an Order whose chief attribute is love. This is an order that inculcates the sublime lessons of "fidelity to convictions of right and duty, obedience to the demands of honor and justice in all conditions of life, fidelity to kindred and friends, a trustful faith and hope of immortal life, and heroic endurance of the wrongs of persecution." Any people may be proud to be the entertainer of such a noble Order, and we assure you that, not only on behalf of our Chapter, but also of our entire city, we feel honored to have you among us.

To-day marks an important epoch in the history of Dallas Chapter, as it is the second time she has been honored by a visit from this noble

body. She is also honored by numbering among her members the present Grand Matron and Grand Marthas, three past Grand Matrons, one Past Grand Patron, a Past Grand Electa, and a Past Grand Organist.

For twenty-three years the Order of the Eastern Star has, through prosperity and adversity, gone steadily on in this jurisdiction until our family now numbers 168 chapters, 52 under dispensation, with a membership between nine and ten thousand, whose representatives gather again to-day around this hearthstone to congratulate each other upon the growth and prosperity of our beloved Order, and the peace, unity and harmony prevailing everywhere within our borders; and we trust our deliberations may be harmonious, that whatever is done may be for the best interests and welfare of our Order, and that we will be mindful of the needs and requirements of each individual Chapter. That we should legislate wisely is important; to be just and generous is imperative.

In the deliberations that are to follow, let loyalty and unselfishness be our controlling motive. Let us ever keep in mind that we are within the sacred walls of a Masonic Temple.

"And if our lips would keep from slips,

Five things observe with care:

Of whom you speak, to whom you speak,

And how, and what, and where."

When the labors of this annual session are ended, may each and every one of you return to your homes feeling glad for having been here and with a determination to come again.

"There's a Star in the East, let us follow that Star;

At home by our fireside, or roaming afar,

Its lessons of duty will brighten our days,

For the wise of all ages were led by its rays.

The lessons here learned, when our hearts understand,

Can but enrich our minds throughout our loved land."

Sisters and Brothers, in the name and on behalf of Dallas Chapter No. 1, I again bid you thrice welcome to this beautiful city and temple.

RESPONSE TO ADDRESS OF WELCOME.

BY E. C. CANON, GRAND PATRON.

Worthy Matron, Worthy Patron, Members of Dallas Chapter No. 1.

LADIES AND GENTLEMEN—To be welcomed so graciously to Dallas and to your halls and homes but emphasizes that welcome we had already received from your members and your citizens in every cordial greeting. On every turn since our arrival in your city, in every hotel lobby, in every home, we have met with a friend and an interested and enthusiastic brother or sister to make us rejoice the more that we are come to your prosperous and beautiful city to hold this annual meeting of the Grand Chapter of the Order of the Eastern Star in Texas. It is a significant fact that the first Chapter in Texas chartered by the General Grand Chapter was at Dallas in 1877, and its name was "Friendship." This was seven years before the organization of the Grand Chapter of Texas on May 5, 1884, at Fort Worth.

We are glad to meet with you, my friends, in the home of a Past Grand Matron of this State, Mrs. Kate M. Bryan, and the home of our present Grand Matron, Mrs. Amelia Huvell. It is with joy and pride that the progress of the Order is noted with the advancement of the years when we review the conditions of 1885 and 1905. From a meager beginning, as all great and lasting movements have grown, the Order in Texas has steadily prospered from a membership of five Chapters comprising its first Grand Chapter, to 168 regular working Chapters on last

October, and this year the Grand Matron reports an increase of 52 new Chapters, bringing our membership in this State up to about the number of 6500. So, Dallas, you are receiving to-day into your gracious and hospitable city the representatives of more than 6000 men and women of Texas, who will carry to their homes the most pleasant recollections of you and your city—representatives they are of the homes of thousands of Master Masons in this great State, whose wives, mothers, sisters and daughters they are. And with what tender love and respect, and honor and sympathy I know, the Masonic Fraternity in Dallas to-day regards this Order whose objects are to relieve the distressed, cultivate the social virtues, guard and protect the good name, character and reputation of its members, and to promote the interests of the Christian religion; to associate in one golden chain of fraternal regard the worthy wives, mothers, sisters and daughters of Freemasons so as to make available to them their adoptive privileges for all purposes contemplated in Masonry. The benefits of this Order are mainly for our female relatives. For them this Temple has been reared—these walls set up. They are its glory, and their good its aim. What Masonry does for the Masonic brother, the Eastern Star shall do for his female relative. They become companions with us on the voyage of life's pilgrimage, and walk with us in the light of the blending rays of the two orders. Together we kneel at the altar of the Eastern Star, and the brother, kneeling at such an altar, feels more deeply the obligations resting upon him, that he may be worthy of such companionship.

The Order of the Eastern Star in Texas has steadily been advancing onward and upward, rising higher and higher toward the zenith of its perfection, whence its benificent rays will permeate every Masonic home in this land of ours.

It is with a great sense of pride in the Order that I express to you, my friends, the thanks of the Grand Matron of this State, and all her associates, and every member here present, for the kind and gracious words of welcome so eloquently expressed by your representative, and in the name of this Grand Chapter I accept your generous hospitality, and assure you we shall carry to our homes the most happy recollections of our visit to you and of our meeting here.

I wish to congratulate Dallas Chapter No. 1 for having been so fortunate as to have among its membership so distinguished and eminently successful a companion and leader, and, no doubt to a great measure, Sister Huvelle's unbounded success has been very materially furthered by your hearty good cheer and comforting words and acts of assistance, for which, and for the great interest you manifest in the Order and in the work, I wish to express to you my sincere appreciation and hearty applause.

Beautiful flowers were presented to the Grand Matron by Sister Susie Greenwold, Worthy Matron of Dallas Chapter No. 1, and the Grand Matron in a few beautiful and touching words expressed her thanks and appreciation to her Chapter.

The following committees were then announced by the Grand Matron:

Report adopted.

The Grand Matron then delivered the following address to the Grand Chapter:

ADDRESS OF GRAND MATRON.

Officers and Members of the Grand Chapter of the Order of the Eastern Star of Texas:

SISTERS AND BROTHERS—Another page in the history of the Order of the Eastern Star in Texas has been turned. The time has arrived once more to meet in annual communication, to review the work of our Order for the past year, correct the errors committed, and to legislate for the future welfare of our great institution. I extend to you, one and all, a fraternal welcome to this, the twenty-third annual session of the Grand Chapter of Texas.

Among those assembled here to-day, I am pleased to see many of the old, faithful members, who for years past have devoted their time and energy to the upbuilding of the Order. To you who are with us for the first time, I hope that this meeting will be long remembered as one of the happy and profitable events of your fraternal life. To those who are absent, we send our greetings, and much regret their inability to meet with us to-day.

As we are about to enter upon the work which lies before us, let us renew our allegiance to the noble principles of our Order, and pledge our best efforts to carry it forward to greater conquests and increased usefulness. Let there be no unseemly struggles and rivalry among us, but rather let us be governed by humility and gentleness.

When I assumed my duties as Grand Matron one year ago, it was with an earnest supplication to Him who rules the universe, that He bestow upon me the blessing of health, strength and wisdom to guide me. I scarcely realized in accepting this trust the responsibility it would bring, but I have endeavored to be faithful to the confidence reposed in me, and have given my undivided time and energy to this great work.

I am pleased to report that our Order is in a very prosperous and harmonious condition. With gain in membership, progress in the work, and good finances, the Order is growing stronger and better. Its growth during the past year has been much greater than I anticipated. Fifty new Chapters have been granted dispensations, which is the greatest number of Chapters organized in any one year since the organization of the Order in Texas.

Before entering upon my report, I can not refrain from expressing to you my appreciation of the honor which you have conferred upon me, when by a unanimous vote you elected me Grand Matron. To-day I tender you an account of my stewardship, and will ask you to judge if my efforts to maintain your confidence have been in vain.

OUR HONORED DEAD.

In humble gratitude we bow to our Heavenly Father, that the circle of our Grand officers has not been broken. But the silent messenger has entered many homes of our subordinate Chapters to remove those whom we loved, and has tenderly lifted them from their earthly abode to beyond the portals on high. To those whose homes have thus been entered, we extend our warmest sympathy.

During this year the Grim Reaper visited the home of our Past Most Worthy Grand Matron, Sister Laura B. Hart, who was called to mourn the death of her son, Evan Edward Hart—born January 2, 1896, died February 15, 1905. We deeply sympathize with our grief-stricken sister in her loss, and send at once a letter of condolence to her in behalf of the Grand Chapter of Texas.

To our Sister Grand Jurisdictions who have suffered loss by death, we extend our love and sympathy. The following names of death have reached us:

Mr. John Davis Vincil, Past Grand Patron of Missouri.
 Mr. Henry G. Thayer, Past Grand Patron of Indiana.
 Mr. Daniel Gould Burr, Past Grand Patron of Illinois.
 Mrs. Mary M. Comstock, Past Grand Matron of Indiana.
 Mr. Edwin D. Palmer, Past Grand Patron of Indiana.
 Mrs. Mary A. Watrous, Past Grand Matron of Michigan.
 Mr. Lewis C. Goodrich, Past Grand Patron of Michigan.
 Mr. John S. Alfred, Past Grand Patron of Louisiana.
 Mrs. Mary L. Freeman, Past Grand Matron of Louisiana.
 Rev. Abram Farr Hitchcock, Past Grand Patron of California.

The Grand Chaplain will now offer a prayer, in loving remembrance of our departed dead.

PRAYER BY GRAND CHAPLAIN.

Our Father who art in Heaven, in Thy providence and wisdom it hath pleased Thee to call from the toils of earth, the souls of some of our loved ones. We thank Thee, our Father, for the beautiful example left us of loyalty to convictions of duty, of obedience to demands of honor and justice, of trustful faith as exhibited in hours of affliction.

We beseech Thee, our Father, to look in compassion on these, Thy children, whose household has been broken by Thy providence. Over shadow them with the wings of Thy tender and loving mercies. May they lie passive in the arms of Thy chastening love, and realize that there is wisdom in all of Thy appointments.

Grant that we may have the trustful faith of Martha, and realize that, although our friends are lost to mortal view, they are only waiting to welcome us to the other shore where we shall praise Thee forever; Amen.

NEW GRAND CHAPTER.

During the year I have been officially notified of the organization of the Grand Chapter of North Carolina. To this new Chapter I extended fraternal greetings from Texas, and best wishes for success and prosperity.

INVITATIONS.

I have received invitations to attend the annual sessions of nearly all the Grand Chapters of Sister Jurisdictions. While it was not my privilege to accept any of these courtesies, I acknowledged the receipt of all, extending fraternal greetings in behalf of the Grand Chapter of Texas. The invitations to install officers, and other entertainments of Chapters, are so numerous that I can not attempt to give them separate mention.

To all of these Chapters who so kindly thought of me, I tender them my sincere thanks.

WAIVER OF JURISDICTION.

December 12, 1904.—At the request of Miriam Chapter No. 89, of Laredo, asked Grand Matron of California to request Annapola Chapter at Oroville to confer the degrees on Mr. Miles, who had moved to that city before he could be initiated. Had an answer that the request had been made, and since then the degrees conferred.

SPECIAL DISPENSATIONS GRANTED.

- September 12—Mina Chapter, to change time of meeting.
- September 16—Miami Chapter, to install out of time.

- September 22—Kennedy Chapter, to change time of meeting.
- September 27—Martha Washington Chapter, to install out of time.
- October 6—Mexia Chapter, to elect and install out of time.

I desire to state that among the dispensations granted, a good many are to elect and install out of time; the reason is that, according to our new Constitution, any member holding an office in any other organization except the Masonic fraternity is not eligible to an office in the Order of the Eastern Star. Many Chapters, only discovering their errors afterwards, were obliged to get a special dispensation to hold another election and installation.

DISPENSATIONS GRANTED WITHOUT FEE.

- January 10—By order of the Grand Chapter, granted special dispensation to Sonora Chapter to work as a U. D. Chapter until the meeting of the Grand Chapter.
- March 27—Granted dispensation to Abbott Chapter to move into their new Masonic hall.
- June 16—To Wolfe City Chapter, to change time of meeting, deeming it for the best interest of the Chapter.
- September 1—To Mount Hope, to change place of meeting

DISPENSATIONS NOT GRANTED.

1. Refused to grant dispensation for waiver of time to parties not having lived in the State the required length of time.
2. Refused to grant dispensations to ballot and initiate at called meetings.

CIRCULARS.

As soon as possible on my return from Galveston I issued a circular recommended by the Grand Chapter, explaining the aims and purposes of the Order. I found that these circulars were a step in the right direction. They have saved me a great deal of time and expense, as, besides giving the aims and purposes, they fully explained how to proceed in the organization of a Chapter.

On January 15, 1905, I instructed the Grand Secretary to issue the following circular letter, which explains itself:

"January 15, 1905.

"To all Worthy Matrons of the Chapters of the O. E. S. of Texas, Greeting:
 "You are hereby requested to have the new Constitution of our Order (which has been sent you) read in open Chapter, beginning at your next regular meeting, and to be continued at least once every three months, until all the members of your Chapter shall become familiar with the same.
 "By order of AMELIA HUVELLE, Grand Matron of the O. E. S. of Texas.
 "Fraternally yours,
 "CASSIE C. LEONARD,
 "Grand Secretary."

My object in doing this, was to do away with a great many unnecessary questions asked by Chapters, and satisfactory results were obtained from it.

The following letter from the Most Worthy Grand Matron, Madeleine B. Conkling, was received on February 22, 1905. Also my answer to the same, which I submit for the approval of the Grand Chapter:

"OKLAHOMA, OKLA., Feb. 20, 1905.

"AMELIA HUVELLE, Grand Matron O. E. S., Dallas, Texas.

"Dear Sister—It has been decided to continue the custom heretofore followed, and establish O. E. S. headquarters at Portland, Oregon, during the Lewis and Clark Exposition, which opens June 1, 1905.

"As the time is limited, I have adopted the following plan as the best suited to facilitate matters. An Executive Board has been chosen to take charge of all arrangements, as follows:

"Margaret Lytke, President Oregon,	} Auditing Committee.
"Hattie E. Ewing, Vice President Massachusetts,	
"Lorraine J. Pitkin, Secretary Illinois.	
"Mary C. Snodden, Kansas,	
"Nettie Ransford, Illinois,	
"Ida M. Lewis, Oklahoma,	
"W. F. Kuhn, M. W. G. P. and Madeleine B. Conkling, M. W. G. M., ex-officio members, acting advisory.	

"All money to be sent direct to the Grand Secretary of each State; from them to Lorraine J. Pitkin, thence to Sister Ercanbrack. Sister Pitkin once each month will publish in the Star periodicals a statement of the receipts. This will be her official receipt, thus saving time and expense. The money thus collected will be subject to the personal check of Margaret Lytke, President of the Board. All bills will be audited by the committee before being paid by the President.

"At this late hour there is no time to spare in waiting to receive your assurance of help, or your approval of the methods adopted; but if for any reason you do not see your way clear to co-operate, or to urge your

jurisdiction to lend a helping hand, and respond to the call for financial aid, do not hesitate to say so.

"Sufficient number of circular letters to supply all of your subordinate Chapters will be forwarded from the printer direct to your Grand Secretary for distribution. These letters set forth the fact of establishing the headquarters at Portland, Oregon, and ask for financial aid; they are signed by Brother Kuhn, M. W. G. P., Sister Pitkin, R. W. Grand Secretary, and myself. At the close of each letter is a brief note addressed to the subordinate Chapters of your jurisdiction, urging them to lend a helping hand and instructing them to send their money direct to your own Grand Secretary. This note is signed by you and your Grand Secretary.

"Immediately upon receipt of this letter please write to your Grand Secretary, advising her what to do with the circular letters, as they are sent subject to your orders.

"There is a balance of about \$1,000 from the St. Louis Fraternal Fund, which belongs to the several Grand Chapters to be pro-rated, being about twenty per cent of the amount donated. Many of the States have signified their willingness to turn over to the Oregon fund their share of this amount. Due credit will be given each State for this amount, and the immediate use of this money will enable us to proceed at once with the arrangements, which will otherwise be greatly hindered.

"May we have your consent to keep and use this balance belonging to your Grand Chapter? This proposition was suggested by the offer of a number of Grand Matrons, assuring us that their Grand Chapters would heartily approve their action.

"Please send me your photo, the best you can get, with your State written at the top, and your own name and address at the bottom. I want the picture of every Grand Matron in the world to use in the room decoration at Portland.

"Answer immediately as to the keeping of the balance to your credit.

"Now, dear sister, I do earnestly hope you will join with me, heart and hand, to make this undertaking the grandest success possible. I can simply do nothing further in the matter until I hear from you, so I beg you to be prompt.

"Sincerely and fraternally yours,

"MADELEINE B. CONKLING, M. W. Grand Matron."

"DALLAS, TEXAS, 3-7-05.

"MRS. MADELEINE B. CONKLING, M. W. G. M., O. E. S., Oklahoma, Okla.

"DEAR SISTER—Your letter of February 20th to hand, and contents carefully noted; but before answering it I deemed it necessary to consult our Grand Patron, and accordingly sent him your letter.

"After duly thinking the matter over, we came to the conclusion that it would not be advisable to tax our subordinate Chapters for the Lewis and Clark Exposition, as they have all they can do, and could not afford it.

"As to the pro rata belonging to the Grand Chapter, left from the St. Louis Fraternal Fund, I willingly assume the responsibility of donating it to the Oregon fund. Our Grand Chapter meets in October, and I hardly think that its members would not sanction the action of their Grand Matron in this matter.

"Wishing you success, I beg to remain,

"Fraternally yours,

"AMELIA HUVELLE, Grand Matron."

On May 1, 1905, I received from the M. W. Grand Matron and Patron, Sister Madeleine B. Conkling and Brother William F. Kuhn, the following known as Official Circular No. 1:

"GENERAL GRAND CHAPTER, ORDER OF THE EASTERN STAR.

"OFFICE OF M. W. GRAND MATRON.

"OFFICIAL CIRCULAR NO. 1.

"OKLAHOMA CITY, O. T., April 15, 1905.

"To the Grand Matron, Grand Patron and Members of the Grand Chapters under the General Grand Chapter, O. E. S.:

"DEAR SISTERS AND BROTHERS—It is the sincere desire of the M. W. Grand Officers of the General Grand Chapter to do all within our power to promote the welfare of the Order, in extending its borders, its influence, its aims, and in binding together the Grand Chapters as component parts of one great army, a solid indissoluble host, working in harmony, in unity, for one end.

"With these aims in view, we come to you, not as unreasonable dictators, but as your servants, who for a brief period have been called to conduct the affairs of the Order for the good of all.

"The General Grand Chapter is clothed with well-defined powers, beyond which we do not desire to pass. Three of these powers are enumerated as follows:

- "1st. Control of ritual.
- "2d. Qualifications of membership.
- "3d. The landmarks of the Order.

"Section 6, Article III, of the Constitution defines the first. The 'General Regulations,' page 1 of ritual, defines 'Membership,' and the landmarks of the Order are found on pages 2 and 3 of ritual.

"These three powers rest absolutely under the authority of the General Grand Chapter; therefore no Grand Chapter or Grand officer has any authority to add thereto or take therefrom.

"In two matters only is any portion of the ritual left to the discretion of the Grand Chapters:

- "1st. The General Grand Chapter prescribes only the minimum in matters of 'collars, robes and other regalia.'
- "2d. In the introductory march of the officers into the Chapter hall some latitude is given, but this introductory march must not contain any secret work of the Chapter.

"In all things else there should be uniformity, and this can be obtained by following the ritual.

"The following errors have crept into the ritual, which, if they exist in your Grand Chapter, see that they are eliminated:

"1st. The collection of a pass from the members at the opening of a Chapter. It is a positive violation of the ritual, to use the cabalistic word or any of the passes of the five degrees, as a pass word to be collected from the members. The ritual does not specify the collection of any word as a pass.

"2d. The use of the square and compass upon the altar. The ritual does not specify that these implements of Masonry are a part of paraphernalia of a Chapter. The law states that 'upon the altar should be an open Holy Bible.' The Order must avoid the assumption of any of the implements of Masonry, for in Masonry the square and compass have a special significance and a symbolic meaning, while in the O. E. S. they have none.

"Number eight of the landmarks of the Order specifies 'that the degrees can not be conferred unless a brother in good standing shall preside.' This landmark is frequently violated by the Matron administering the obligation to the candidate.

"4th. The qualification for initiation into the Order is a Master Mason in good Masonic standing, his wife, mother, widow, sister, half-

sister, daughter, or a legally-adopted daughter. A step-daughter is not eligible.

"5th. In some Grand Chapters the duty of introducing and accommodating visiting members is delegated to the Marshal of a Chapter and to the Grand Marshal. This is a plain violation of the ritual. It is the duty of the Conductress and Associate Conductress to introduce and welcome visitors, and not that of the Marshal.

"SUGGESTIONS.

"The ritual is silent on many minor matters, but for uniformity's sake we would advise, that—

"1st. The wearing of aprons by the officers be discontinued. While the wearing of aprons may not be strictly a violation of the ritual, as it comes under the head of regalia, yet the apron is the distinctive badge of a Mason. In the O. E. S. it has no significance, but may cause prejudice. Borrowed plumage is to be avoided.

"2d. The use of rods by Conductress and Associate Conductress be discontinued.

"3d. In purging a Chapter, each officer examines her side, beginning in the 'East,' viz: The Associate Conductress examines the 'North' side, and the Conductress the 'South' side.

"4th. In the opening ceremony, the Matron and Patron should arise when the other officers arise. There is no symbolism in the presiding officers remaining seated as in Masonry, but courtesy to the officers should cause the Matron and Patron to rise when the officers are called up.

"5th. The Matron and Associate should not leave their stations to greet the candidate.

"NEW YORK AND NEW JERSEY.

"Many questions have, through misunderstanding, arisen in regard to the reception of dimitts and the right of visitations of sisters and brothers hailing from the Grand Chapters of New York and New Jersey.

"The Grand Chapter of New York publishes its own ritual and it does not differ essentially from the ritual of the General Grand Chapter, but it permits any Master Mason who may so desire, to visit any Chapter without previous notice, petition, inquiry, or election, merely upon a pledge of secrecy. Such pledge of secrecy does not entitle him to any of the rights or privileges of the Order, or make him a member of it; but he may visit any Chapter, witness its ceremonies and is in possession of all the secrets of the Order, yet not a member of it nor contributing to its support. A Master Mason may become a member of the Order by petition and election, passing through the same ceremonies as the sister.

"The Grand Chapter of New Jersey uses the ritual of the General Grand Chapter, but has introduced the New York feature in permitting a Master Mason to visit under a pledge of secrecy. The qualification for membership in the Order, in both of these Grand Chapters, is the same as required by the General Grand Chapter.

"In view of these conditions in reference to the two classes of Master Masons who are in possession of the secrets of the Order, we, the M. W. Grand officers of the General Grand Chapter, do promulgate the following orders until further notice:

"1st. That all dimitts issued under the seal from any Chapter under the Grand Jurisdiction of the Grand Chapters of New York and New Jersey are legal and entitled to all the privileges of such, subject to the laws of the several Grand Chapters.

"2d. In the right of visitation, it is ordered that any sister, hailing from either of these two Grand Chapters, is entitled to visit a Chapter,

subject to the laws of the Grand Jurisdiction in which she desires to visit, upon passing the prescribed examination or avouchment.

"5d. No Master Mason, hailing from the Grand Chapter of New York or the Grand Chapter of New Jersey, shall be permitted to visit any Chapter upon avouchment; but he shall present to the Patron and Matron of the Chapter that he desires to visit, documentary evidence of his membership in the Order, and pass the prescribed examination. The documentary evidence and examination is the only means by which he can prove his right to visit a Chapter; by documentary evidence is meant a dimit under seal, or a certificate under seal, and of recent date, of good standing in the Order and membership in a Chapter.

"4th. That the Grand Chapters under the General Grand Chapter shall promulgate this edict throughout their jurisdictions without delay.

"CLANDESTINE MASONS.

"One of the grave dangers menacing our Order is the growth of clandestine Masonry in the Middle and Eastern States.

"The Order of the Eastern Star must be ever loyal to the Grand Lodge Jurisdiction in which it lives. It, therefore, becomes absolutely necessary that the Masonic standing of all petitioners be carefully examined.

"The brother on the Committee of Investigation should be well posted on clandestine Masonry in his city and State. It devolves on him to see that only those whose Masonic qualification rests in legitimate Masonry be admitted.

"JURISPRUDENCE.

"In order that there may not be so much diversity in matters of law and jurisprudence, we earnestly advise that the laws and jurisprudence of a Grand Chapter should be based, as far as possible, upon the laws and jurisprudence of the Masonic fraternity in which the Grand Chapter exists. The brethren are conversant with these; and a long established system of jurisprudence will thereby become a part of the Order, not subject to the whims and vagary of every modern society.

"In calling your attention to these matters we are actuated solely for the good and permanency of our Order. The General Grand Chapter should be the tie that binds the Grand Chapters into a whole, with unity in essentials, liberty in non-essentials.

"We should recommend that this letter, or as much of it as may be necessary, be printed and mailed to every Chapter under your jurisdiction.

"Fraternally yours,

"MRS. MADELEINE B. CONKLING, M. W. Grand Matron.

"WILLIAM F. KUHN, M. W. Grand Patron,

"Kansas City, Mo.

"AGUST MRS. LORRAINE J. PITKIN, R. W. Grand Secretary,

"Chicago, Ill."

After carefully reading the same I found that it conflicted with some of the decisions of former Past Grand Matrons, which had become a law in Texas, such as the decision of Past Grand Matron Alvord, page 58 of our Constitution, viz: "Any one of the degree passes may be used in opening a Chapter." Also decision of Past Grand Matron Young, page 57 of our Constitution, viz: "That the square and compass should be placed on the Bible, as it is the badge of the Worthy Patron."

I deemed this circular of such vital importance that I answered the Most Worthy Grand Matron, that it would be taken under due consideration. I did not wish to assume the responsibility of issuing this said circular to the Chapters as per the M. W. Grand officers' request before action had been taken by the Grand Chapter. Sometime thereafter,

on my official visits, I noticed that the publishing of this circular in the *Texas Freemason* had created a great deal of confusion in some of the Chapters. I therefore consulted the Grand Patron on this subject, and we decided that for the good of the Order it would be best to publish the following:

"To the Chapters and Members of the Order of the Eastern Star in Texas:

"By reason of circular letter No. 1, sent out from the office of the Most Worthy Grand Matron, and a communication from M. W. Grand Patron, Brother Kuhn, in a recent issue of the *Texas Freemason*, there has arisen quite a great deal of confusion in different parts of the State, relative to the construction to be given by local Chapters to these communications in as far as they may affect the rules of government and usages and practices of the Order in this State. Because of this confusion and uncertainty among many Chapters, it is thought advisable to say to all members of the Order in Texas, and to all local Chapters in this Grand Jurisdiction, that the Grand Chapter of Texas is supreme in all its affairs, and the government of the Order in this State is solely dependent upon it, and none other. The Constitution and By-laws, rules and regulations of this Grand Chapter, constitute the laws by which we are governed, and no Chapter nor individual member has any right nor power to make any change in our established practices as laid down in our laws and regulations and as promulgated by our Grand officers until such change or variance is authorized by the Grand Chapter through its proper officers.

"Fraternally submitted,

"AMELIA HUNVELLE, Grand Matron.

"E. C. CANON, Grand Patron."

OFFICIAL VISITS.

November 23, 1904, I organized Crafton Chapter at Crafton, with 20 chartered members. While in Crafton I had the pleasure of meeting Brother Norwood, the prime mover in the organization. So well up in the work is he that I had no hesitancy in leaving the young Chapter under his care. My thanks are due the members, but more especially this brother, who not only showed me all courtesy, but met me at the train, and drove me to and fro, a distance of twelve miles, in his own buggy. This Chapter was organized with very little expense to the Grand Chapter.

November 24, 1904, found me on my way to Quanah, where I had been requested to come to investigate some dissensions, which had been brewing among the members for over a year. On the night of the 25th I called the Chapter to order, and after a very heated meeting I was pleased to leave this Chapter in a harmonious condition, both sides shaking hands, and a veritable love-feast was held. While in Quanah, the members showed me every courtesy, paid hotel bill and railroad fare.

December 16, 1904, I organized Denton Chapter at Denton, with all of the twenty charter members present, and at 8:00 o'clock initiated eight new members. I am happy to say that this Chapter is composed of bright and energetic sisters and brothers, and I had very little trouble in teaching them the work of our beautiful Order. Credit is due the Worthy Matron, Sister Minnie, Worthy Patron Brother Stovall, and Brother Zunwalt, for the interest they took in having this Chapter organized. Denton Chapter starts with a good membership, and promises to be a substantial link in our golden chain.

March 14, 1905, I arrived at Valley Mills at 11:20 A. M. At 7:00 P. M. repaired to the hall, where I found a goodly number of sisters, and at their request, held a school of instruction. I found them pretty well up in the ritualistic work, especially as they had had no instruction since their organization, and never had received a visit from a Grand officer. Their earnestness and willingness to learn made them apt scholars, and all my instructions were readily received. At 8:00 o'clock repaired to the hall, and the Chapter was opened with all officers present. The marching in of these sisters would have done credit to a much older Chapter. I found their books kept in a business-like manner, and I was pleased to see the work so nicely rendered.

March 15, 1905, I left for Crawford, where I expected to organize at 3:00 o'clock, according to appointment, but owing to very bad weather, and not being able to get the members out, organized Thursday morning, working until 1:00 P. M.; again in the afternoon, resuming work at night, then the next morning with the Worthy Matron and Conductress, leav-

ing them well up in the secret and ritualistic work. I could not give them as much instruction as I would have liked, for, my dates being arranged, I was compelled to leave, hoping at some future time to be able to give them further instruction.

March 17, 1905, I reached the thriving city of Gatesville, and at 7:30 P. M. repaired to the Masonic Hall. The Chapter was opened in due form by the Worthy Matron. After examining the books, which I found neatly kept, the initiatory work was given, and all corrections gladly received. Next morning I held a school of instruction with the officers, which was highly appreciated. While in Gatesville, I was the guest of Bonner Ruby Chapter, they paying my expense at the hotel.

March 18, 1905, on the evening of the 18th it was my pleasure, in company with the Grand Patron, this being his home Chapter, to meet with W. E. Owens Chapter, where I was given a hearty welcome. Their Worthy Matron, Sister Rosa Mattison, and Worthy Patron, Brother W. R. Jurney, are earnest workers, and are ably assisted by a good corps of officers. My thanks are due this Chapter for holding this meeting just two days prior to their regular meeting.

March 20, 1905, I held a meeting with Marlin Chapter. This Chapter had, on account of the removal of several of their officers, done nothing for some time. I was much grieved to see this state of affairs; however, the little handful pledged themselves to attend more regularly, and to do all in their power to get the other members interested, and I trust that they will yet wake up to the noble interests of our Order.

March 21, 1905, I was to visit Mart, and have Elk Chapter to meet with them on this date, but I was notified by the Worthy Matron, Sister Swain, that it would be impossible to receive me at that time; the Grand Patron, being so near at hand, could examine their books later on.

March 22, 1905, I started for the little city of West, arriving there just in time to be escorted to the hall, where quite a crowd were in waiting. The Chapter was very efficiently opened by the Worthy Matron, Sister Glenn, who is to be complimented for the able manner in which she and her officers rendered the work. They are an earnest band of workers, and therefore a thriving little Chapter.

March 23, 1905, I officially visited Abbott Chapter. At 2:00 P. M. was escorted to the hall, where Rienzi Chapter had been invited to exemplify the work, but, owing to the very bad roads, it was impossible for them to come. I held a school of instruction, and all corrections were courteously received. At night the whole membership was on hand to witness the exemplification of the work, which was given in a creditable manner. The Worthy Matron and Worthy Patron deserve much praise for their untiring efforts in behalf of the Chapter.

March 24, 1905, I went to Hillsboro, where a cordial reception was given me. I was very much pleased to note the renewed enthusiasm of the members of this Chapter. Their books are well kept, and all officers well up in their parts—all imbued with the teachings of our Order.

March 25, 1905, in company with Sister Satterfield, Worthy Matron of Annie M. Chapter, I boarded the train for Itasca. Files Chapter had been invited to exemplify the work, but, failing to do so, I held a school of instruction. At night the Worthy Matron opened up the Chapter, and I was agreeably surprised to see all officers giving the work without the rituals, although quite a number were substitutes. I could not refrain from complimenting this Chapter, and giving them the praise that was due them.

April 4, 1905, by special invitation, visited Denton Chapter, to witness the initiation of a class of candidates. The marching in and opening ceremonies was quite a feature, and at my request every ritual was placed on the Secretary's desk, and the initiation given without the use of the ritual. The work, with the addition of music, was beautifully rendered. I could but feel proud of this Chapter, not quite four months old, yet

doing the work in a manner that would put to shame Chapters several years older.

April 5, 1905, I arrived at Pilot Point where, I regret to say, I found the Chapter not doing anything, mostly on account of the lack of interest of the presiding officer. I notified the Worthy Matron of my coming and convening the Chapter for that date, and received acknowledgment of the same, but, to my surprise, that evening both Worthy Matron and Worthy Patron shone by their absence, without any plausible excuse. I desire to thank the Secretary, Sister Bauer, and Past Matron, Sister Carson for their kindness. Had it not been for them, no meeting would have been held, and if the Chapter still holds together, it is due to their efforts.

April 6, 1905, assisted by our Grand Marshal, Sister Brown, organized Golden Chapter at Collinsville with twenty chartered members. After five sessions, I had the pleasure of seeing every officer go through the secret work in a manner which left no doubt in my mind of the success of the Chapter. At the end of my labors with them Dr. Hughes, in behalf of the this Chapter, presented me with a lovely watch chain. This was indeed a surprise, and the kind words accompanying this gift will long remain fresh in my mind. I was also the recipient of a beautiful pearl-handle pocket-knife, the gift of Sister and Brother Bowles.

April 17, 1905, I visited Doreas Chapter at Elgin. After the opening of the Chapter I examined the minutes and record books, and found everything in a good condition. Four candidates were initiated into the Order in a creditable manner. I was the recipient of a lovely bouquet of flowers.

April 18, 1905, I arrived at Bastrop, where I paid an official visit to Mina Chapter. This Chapter is to be congratulated for having such a lovely hall. After the opening of the Chapter I examined the books, and I am pleased to say they have a Secretary who ably understands her work. The initiation was given in a very concise manner, denoting care, a love of the work, and all seemed very much encouraged by my visit.

April 19, 1905, found me in the lovely city of Smithville. Along my route I had heard of the nice work done by this Chapter, and was more than surprised to find them almost letter perfect, every officer giving the opening initiatory and closing without the use of a ritual. In my honor the "Mystic Tie" was given very beautifully, and the initiatory work was enhanced by lovely stereopticon views and singing. This is one of the most flourishing Chapters in the State, which is largely due to the Worthy Matron, Worthy Patron and all officers not being afraid to exert a little energy, and work to accomplish this end. Would that more Chapters had this energy and love of the Order! A lovely arm cluster of roses was presented to me.

April 20, 1905, at 5:05 A. M., I was speeding my way towards Lockhart, arriving there in time to catch the only train going to Red Rock to meet with that Chapter. I found this Chapter almost dead, only eleven members present. Having only a few officers, the work was not given. I examined their books, which showed that they were in good hands. So many of the officers having moved away and this being a small place, the faithful few had lost all courage. Since my visit to them, I heard that they are once more striving to get on their feet. Much credit is due the Associate Matron, Sister Hill, and Sister Runk.

April 21, 1905, at 6:00 P. M., in company with six members of Red Rock Chapter, I boarded a caboose (as there had been a wreck and no trains could pass through) for Lockhart, where I was due at 8:00 o'clock. Quite a large gathering met me at the Masonic hall. This Chapter deserves credit for their untiring efforts to keep up, having received but very little instruction. Nevertheless, they did remarkably well, and all enlightenment and correction was eagerly sought for.

April 22, 1905, I was driven at 4:00 A. M. to the depot, where I was soon speeding my way to the lovely city of San Marcos, where I organized

a bright Chapter that evening, with seventeen chartered members, remaining with them until Sunday morning. While in San Marcos, was the guest of the Chapter, they paying my expenses at the hotel. They start out under favorable conditions, and we expect to soon see a large and prosperous Chapter.

April 24, 1905, I paid a visit to Kerrville Chapter, where, I am sorry to say, I found very little interest and only a few faithful ones to hold together. I found all present well up in the work, with books nicely kept. But these true and tried ones are very much discouraged, and I fear the day is not far distant when they will surrender their Charter. The Worthy Matron and Patron deserve great credit for their efforts to keep this Chapter alive.

April 25, 1905, I left Kerrville for the historic city of San Antonio, where I had the pleasure of meeting Past Grand Patron McDaniel and his lovely wife. Attended the meeting of San Antonio Chapter, where I was pleased to meet our Associate Grand Matron, Sister Randolph. The work was then given, after which Sister Vogt, in behalf of the Chapter, presented me with a lovely souvenir spoon. Sister Robinson, Worthy Matron of Adah Chapter, also presented me with a handsome souvenir fork, gift of her Chapter. At the same meeting a lovely spoon was presented to Sister Randolph, Associate Grand Matron.

April 26, 1905, I met with Devine Chapter at 3:00 o'clock. On account of the carnival at San Antonio, quite a few were absent; however, a good crowd were out. I found the officers well up in the work, showing good, earnest labor, and much encouraged by my visit. Arriving in San Antonio that night again, I was escorted to the palatial home of Brother and Sister McDaniel, where I enjoyed a pleasant visit from Sisters Randolph, Baugh and Sister Robinson.

April 27, 1905, I visited Del Rio Chapter. Here, indeed was a band of good, earnest workers, who, having never received a visit from a Grand Matron, were anxious for all information and correction. The Worthy Matron, Sister Smeddon, deserves compliments for the able manner in which she has carried on this Chapter, never letting the interest lag. The books were in good condition, and every member wide awake to the best interest of our Order. So great was their desire for me to visit them, that not only was I entertained by them, but my railroad fare was also paid from San Antonio to their city.

April 28, 1905, I had the pleasure of meeting with Esther Chapter at Eagle Pass. I held a school of instruction in the afternoon. At night a hail storm and a torrential rain being the order of the day, only a few members were present. All showed the interest they took. I had the satisfaction of leaving them well up in the secret work. I was presented with a lovely spoon by the Worthy Matron, Sister Simpson, as a souvenir of my visit to the border. This Chapter delightfully entertained me, and also paid my return trip to San Antonio.

April 29, 1905, I boarded the train for San Antonio, where the smiling faces of Sisters Baugh and Johnson met me at the train. A terrific cyclone having passed through Laredo, Sister Randolph remained at the home of Sister Baugh trying to get news from home, where luckily none of her family were hurt. On my arrival I attended a meeting of Adah Chapter. I am pleased to mention that their books were nicely kept. The exemplification of their work was then given, with Past Grand Patron Karney presiding as Worthy Patron. A good number of San Antonio Chapter were in attendance, and all enjoyed the meeting.

May 1, 1905, I left San Antonio for Floresville, where I organized Jasmine Chapter, with twenty chartered members. After spending two days with them, had the satisfaction of leaving all officers well up in the secret and ritualistic work. This Chapter bids fair to be one of the best Chapters in the State.

May 3, 1905, I arrived at Kennedy, where I found a good many members of Runge Chapter, who had been invited. I held a school of instruction for both Chapters, which was earnestly desired, all profiting by the lessons, an example of which was seen that night at the rendition of the work given in a creditable manner. I left Kennedy at midnight on my way to Galveston.

May 4, 1905, by request, I attended the regular meeting of Mizpah Chapter No. 2 of Galveston. This is the home Chapter of our Past Grand Matron, Sister Walker.

May 5, 1905, Ransford Chapter not being able to get the hall, I was forced to cancel my date with this Chapter, but had a pleasant social time with them later on.

May 6, 1905, I visited Alvin Chapter. While this Chapter is not very large, the members make up in quality what they lack in quantity. All officers are well up in their work, books in good shape, and everything in a healthy and harmonious condition.

May 8, 1905, I arrived at Angleton, and repaired to Masonic hall, where a nice crowd had assembled. The work was very nicely given, showing good, earnest labor. Before the closing of the Chapter flowers were given me in a novel way, the two Conductresses forming an arch, each officer with an appropriate speech presenting their offering, and at the end I had a lovely bouquet made up of the five colors of the Order.

May 9, 1905, learning that the town of Velasco was under water, and not being able to communicate with them, either by wire or telephone, I found it would be impossible to go there. I regretted very much to be unable to pay this Chapter a visit, having learned that they were in need of instruction, as a great many of the officers and members had moved away, and the interest was somewhat at a standstill. A few faithful ones, however, were holding it together.

May 10, 1905, I was tendered a social evening by the members of Ransford Chapter of Houston. I had the pleasure of meeting our Deputy Grand Matrons Lane and Wood. After a nice programme, refreshments were served, Sister Brown, in behalf of the Chapter, presented me with a beautiful box of flowers.

May 11, 1905, found me on my way to Victoria, where I paid a visit to Violet Chapter that night. I was very well pleased with the way the work was rendered. The Conductress certainly understands her work. Books are well kept, and peace and harmony prevail. I was here presented by Brother Hill with a lovely souvenir spoon in behalf of Violet Chapter.

May 12, 1905, I boarded the train for Rockdale, my next destination, Yoakum having notified me that on account of so many of the officers and members being absent they could not hold a meeting. At Rockdale I was well pleased to see such a good crowd out. The work of opening, initiatory and closing was given in a very nice manner. Their books, being in the hands of an up-to-date secretary, were kept in a thorough business style. I took my train at 3:00 o'clock A. M., arriving in Dallas May 13th.

June 2, 1905, I organized Regina Chapter at Clifton. Here I had the pleasure of leaving all officers not only well up on the secret work, but several of them had committed their ritualistic part as well, showing that the interest taken was sincere, and I predict for this Chapter a bright and prosperous future.

June 5, 1905, I paid an official visit to Farmersville Chapter. Although having called the meeting for 2:00 o'clock, quite a good number were out, and while a few of the stations were filled *pro tem.*, all showed the love of the Order and a great deal of painstaking. Sister King, their Worthy Matron, has worked hard to get them to this standard. This Chapter paid my railroad fare from Dallas.

That evening at 8:00 o'clock I met with Celeste Chapter. As I had been unable to visit Kingston Chapter, at my request they were invited to meet with Celeste Chapter. The Worthy Matron and several officers of Kingston Chapter were present, and quite a nice meeting held, all profiting by the instructions and anxious to learn. Celeste Chapter is doing some good work, and their Worthy Matron deserves credit for the work she does for this Chapter.

June 6, 1905, I met with Wolfe City Chapter at 2:00 P. M., where I was sorry to find very little interest, although a handful were struggling hard to keep it alive. To these faithful few I wish to extend my appreciation and thanks. Their books were neatly kept, and Sister Royal deserves credit for her untiring efforts. While there, thinking it for the good of the Chapter, I granted them a dispensation, without fee, to change their time of meeting.

The same day I stopped in Ladonia, to pay an official visit to Ladonia Chapter. A large crowd was in attendance. I found this Chapter, under the leadership of Sister Barlow, doing some very good work. All the members are interested and enthusiastic, having one mind and purpose, for the good of our beloved Order. Here I had the pleasure of meeting Brother Dennis, Deputy Grand Patron.

June 7, 1905, I visited Detroit Chapter; was indeed proud to see this little Chapter pretty well up in the secret work and eager to learn all they could. Their officers are good and conscientious, their Secretary keeping all records in a neat and business-like manner. Harmony and peace prevail.

On that day I arrived at Paris. That night, on account of the members not being able to get the hall, an informal reception was held at the home of Sister Benson, Associate Matron, where I believe the entire membership met me. After seeing that all was secure, and at the earnest request of members, we held a school of instruction, where all questions were asked, and each and every one declared the evening a profitable as well as an enjoyable one.

June 8, 1905, in the afternoon, I met with Cooper Chapter. I am sorry to say that, on account of a protracted meeting, and it also being "preserving time," only a few faithful members turned out. After examining their books, which I found in good shape, I held a school of instruction.

Then I went to Commeron, but regret to say that, on account of absence of officers from the city at that time, could hold no meeting. Their books are well kept, and show a very good membership. The secretary of the Fairlee Chapter being present with his books, I also examined them, and found his records and minute books in good order.

June 9, 1905, I arrived at Greenville and paid a visit to Greenville Chapter that night, where I was pleased to meet Past Grand Matron Minnie E. Smith. This is the home Chapter of the Grand Treasurer, Sister Seaman. I found all officers well up in their work, and books and records in fine shape, the Worthy Matron and Patron both deserving great credit for having such a good, live Chapter.

June 10, 1905, I left Greenville, accompanied by Sisters Smith and Seaman, and paid an official visit to Caddo Mills Chapter, a very lively little Chapter, well up in the work, and books in good condition. I was indeed well pleased with the work of this Chapter and its members. Here I found a great deal of energy and interest. Where these two qualities are lacking, no Chapter can live.

June 12, 1905, I arrived in Gainesville. The Masons holding their annual election, Belle Moon Chapter was not able to procure the hall. A social meeting and reception was tendered me at the home of the Worthy Matron, Sister Bailey. After an enjoyable time, I held a little school of instruction, which was highly appreciated by all members. I had the pleasure of meeting Past Grand Patron Atchison and his wife.

While in Gainesville I was the guest of Belle Moon Chapter, they defraying hotel expenses.

June 13, 1905, I boarded the train for Myra, where quite a band of earnest members met me, and after dinner we repaired to the Masonic hall, where, after the opening of the Chapter, I examined the books which are in fine shape, and held a school of instruction. All corrections were very much appreciated. Although the members had never received a visit from a Grand officer, nevertheless they were doing some nice work. Leaving Myra I reached the thriving little city of Saint Jo. At night I met with Saint Jo Chapter. I was surprised to find quite a live little Chapter, with such a nice attendance, and all earnest members. After the opening of the Chapter and rendition of the work, I gave them instructions in the secret work, which was enthusiastically received. This Chapter deserves a great deal of credit, for outside of the organization they had never received any instructions, nor a visit from any Grand officer. And with the zeal they manifested, I predict a bright future for Saint Jo Chapter.

June 14, 1905, I went to Nocona, where I had the pleasure of meeting with Nocona Chapter. I found this Chapter doing well, notwithstanding that they had been sorely neglected, never having received an official visit from a Grand Matron or Deputy since the organization. Under the able direction of the Worthy Patron, this little Chapter has kept alive, and all officers are thoroughly up on the secret work. I owe this Chapter a debt of gratitude for the many kindnesses shown me. The Worthy Matron and Worthy Patron and several others drove me over to Spanish Fort, a distance of twenty miles, in their private conveyances.

June 15, 1905, I organized Spanish Fort Chapter, ably assisted by the officers of Nocona Chapter. While this is a small place, the members are very much in earnest and in love with the work and eager to learn, and I am pleased to note that the Worthy Patron and all officers were well up on the work before my departure. Thanks are due this Chapter for their many kindnesses, and all things seem favorable for a good Chapter.

June 17, 1905, I met with Ringgold Chapter. This Chapter was only a few months old, and I was most agreeably surprised at their manner of exemplifying the work. They promise to be one of the best in the State. They have a good Secretary, and all are eager to learn.

June 19, 1905, I organized Seago Chapter at Seagoville. All of the chartered members present. They have material for a good, live Chapter, and its members were very enthusiastic, and I left them well up in the work. Hope to hear a good report from this Chapter in the future.

July 4, 1905, I was called to Cason, there to organize a Chapter. Here I was pleased to note the earnest labor of these good sisters and brothers, who so eagerly grasped all of the secret work. They are to be congratulated for having such an excellent Worthy Matron and Patron. The Chapter must prosper under their guidance.

July 5, 1905, I organized a Chapter at Pittsburg with all chartered members present. The members readily fell into the line of work, and after several sessions I had the pleasure of seeing them go through the work like old veterans. There I had the pleasure of meeting and being ably assisted by Sister Northern, a member of long standing in the Order of the Eastern Star, and who will be of great help to this Chapter.

July 7, 1905, I organized Naomi Chapter at Grand Saline, with the twenty charter members. A more earnest band of workers I have hardly ever found. This Chapter is in good hands, and with Sister Lineberg as their Worthy Matron I predict that this Chapter will soon forge itself to the front as one of the foremost Chapters in the State. I have learned that since their organization their membership had increased wonderfully and they are able to give points in the work to many old chartered Chapters.

July 10, 1905, I paid an official visit to Godley Chapter. I found this Chapter laboring under difficulties, and very little interest taken by the members, outside of a handful of faithful workers. This Chapter has not the support it should have from the Masonic brethren; but, to my amazement, this little band is thoroughly up on the secret work, and the Secretary deserves much credit as her books are kept in a neat and good condition. I had the pleasure of being assisted by Past Patron Greenwold, and the Associate Matron, Sister Greenwold, of Dallas Chapter No. 1.

On that day, at night, I attended a meeting of Ruth Chapter at Cleburne, the home Chapter of our Associate Grand Conductress, Sister Johnson. I was gratified to find this Chapter shining so brightly, showing much care and attention bestowed upon the Chapter by each officer. After the closing of the Chapter a musical program was given. Brother Ramsey, in the name of the Chapter, presented me with a handsome hand-painted loving cup, as a gift of the fraternal love of this Chapter for their Grand Matron. I had the pleasure of meeting our Grand Chaplain, Sister Farmer, who now resides in that city. I was also the recipient of a lovely basket of fruit for my journey, from Sister and Brother Farmer.

July 11, 1905, I had the pleasure of meeting with Vashti Chapter in Temple. There I found a Chapter which worked in such harmony and unity that it was more like a home circle than a Chapter. All of the officers and members are interested and enthusiastic. This Chapter can justly feel proud of their officers, as they rendered their work very efficiently. The Secretary's books were fine. The Worthy Matron deserves credit and praise for her able management. I had the pleasure of meeting Past Grand Marshal Sister Wendland.

At night, that day, in company of quite a number of sisters and brothers from Vashti Chapter, on short notice, I visited Corinthian Chapter at Belton. This Chapter was hardly a month old. A good many of the officers were absent; nevertheless we held quite a nice little meeting of instruction. Sister Harkey, Deputy Grand Matron, is an earnest worker in that field, and under her guidance this little Chapter will do good work.

July 12, 1905, I arrived at Somerville, where, I am sorry to report, outside of eight or nine members, there is very little interest taken. The Worthy Matron and Worthy Patron deserve credit for the good, earnest labor they take in the work, and if all were as enthusiastic as they, Somerville Chapter would flourish like a bay-tree. I had the pleasure there of meeting Deputy Grand Patron Tucker and his wife, of Plantersville. This Chapter paid my hotel expenses.

On the 12th, I also inspected Oak Grove Chapter at Plantersville. This is not a very large Chapter; however quite a number were out that night. The work, under the leadership of Sister Grant and Brother Tucker, was efficiently rendered, their Conductress giving the work in a manner such as to leave no doubt in one's mind that the candidate must be well impressed. Books were also in good condition.

July 13, 1905, I paid my official visit to Esther Chapter at Montgomery. I found the books and records of the Secretary well kept. This Chapter is composed of enthusiastic sisters and brothers, and with their Worthy Matron, Sister Campbell, as their efficient leader, I predict great things for this thriving little Chapter. All officers were eager to learn, and seemed very much helped by my visit.

At night on that day I met with Conroe Chapter. Here the entire membership was in the hall when I arrived; also a number from Willis Chapter. We had a very nice meeting, Brother Daniels of Willis Chapter presiding. All information and instructions were eagerly sought. A more zealous band of workers I have seldom met. Books and records in good shape. Since many from Willis Chapter were present, the work

was given so that all could profit by it. I examined the books of this little Chapter, and am pleased to note that the records show a good, lively interest in the work. These two Chapters are yet in their infancy, and I predict for both a bright future. Here again I was the guest of Conroe Chapter, they paying all hotel expenses.

July 14, 1905, I arrived in Cleveland to find no one to meet me. I repaired to a hotel, where I remained all day without seeing any of the members, but had been told there was to be a meeting that night. I had convened Lamb Chapter to meet here, and was indeed surprised to see such a lack of interest. However, at night a couple of sisters came after me, and we repaired to the Masonic hall, where, with Tarkington Prairie and Lamb combined, barely a quorum were out. Tarkington Prairie has done nothing, and the members are very much discouraged. I was greatly disappointed with my visit at this place.

July 15, 1905, I paid a visit to Orange Chapter. The Chapter was called to order promptly at 2:00 o'clock. Their marches were very pretty; the Worthy Matron presided with dignity, and the working of the Chapter shows a wise guiding hand. Their work as a whole was far above the average, each officer doing her work in a very creditable manner. Their Conductress is simply fine. Books and records show a busy year and well kept. This Chapter is indeed a credit to the Order. I was the recipient of a lovely bouquet of flowers, the gift of the Chapter, and was the guest of the Chapter during my stay.

Leaving in company with fourteen sisters of Orange Chapter, we met with Beaumont Chapter at night, the home Chapter of our Associate Grand Patron, Brother Orchard. Quite a number of members, including the Worthy Matron, were absent. Sister Glasscocks, taking the chair, presided in a dignified manner. This Chapter has a large membership, and great credit is due Brother Orchard for his untiring efforts in behalf of the Chapter.

July 17, 1905, I arrived at Rogan, where I took the mail hack for my next destination. After a three hours' drive through the piney woods, and during a severe thunderstorm and heavy rain, I arrived in the little inland city of Newton, where I paid an official visit that night to Newton Chapter. This being a small Chapter, I was agreeably surprised to find so many members present. The work was very well given. And here I wish to say that during my trips I have rarely met a Worthy Patron giving the obligation and secret work as well as Brother West did on this occasion. The books are nicely kept.

July 18, 1905, arriving at San Augustine during a terrific rain, it was impossible to hold a meeting with Gillespie (U. D.) Chapter that night. Next morning (19th) I held a meeting with this young Chapter, and was pleased to see them so well up in the work. Their Worthy Matron thoroughly understands her arduous position, and under her guidance this little Chapter will make a name for itself.

July 19, 1905, in company with Sisters Rogers and Brock of Beaumont, I visited Port Arthur Chapter. This Chapter, only six months old, is striving hard to become a good and prosperous Chapter. The work rendered by the officers is deserving of praise. In the absence of Sister Harris, Worthy Matron, the Associate Matron, Sister Garrard, filled the chair in an efficient manner.

July 20, 1905, I paid an official visit to Dayton Chapter, and found this little Chapter, under the guiding hand of Sister Babeck, doing good work. They have just moved into their new hall, which is indeed very pretty. I found their books and records in fine condition.

July 21, 1905, I visited Crosby Chapter. This Chapter is only eight months old, and out of a membership of twenty-eight, twenty-three were present. I held a school of instruction, and found this Chapter very energetic and willing to learn all they could to further the good of the Order. I found a nice set of books, well kept.

July 22, 1905, I organized San Felipe Chapter at Sealy, and after three sessions, had the pleasure of seeing them well up on the work. This Chapter has the material to make a good Chapter, and all were delighted with the work of our loved Order.

July 24, 1905, I held a school of instruction with Runge Chapter in the morning. This Chapter had received very little instruction, and I am sorry to say they felt very much neglected by the Grand Chapter. They are to be congratulated for having held together so long, as they were much discouraged. The Chapter was called to order at 1:30 P. M. I was pleased to note the presence of fourteen sisters from Kennedy Chapter. The work was well given. Their books are neatly kept. Since my visit to them I have heard they are doing nicely, and I trust they will always continue to do so. Here again I was the guest of the Chapter, they defraying hotel expenses.

The same day, accompanied by fifteen sisters and brothers of Runge Chapter, I organized Helena Chapter at Helena. Sister Bennet of Runge Chapter acted as Grand Marshal. I remained with this new Chapter, giving them instructions, until Tuesday evening, leaving them well up in the secret as well as ritualistic work. Their Worthy Matron and Patron being so enthusiastic, I have since learned that practice meetings are held weekly.

August 1, 1905, I inspected Prairie Gem Chapter at Chillicothe, at 8:00 o'clock at night. This little Chapter is rapidly forging to the front. I was well impressed with the earnestness of the officers. Corrections were cheerfully accepted. Books showed nice attendance and their minutes well kept. They have in Sister Gibbs, their Worthy Matron, a faithful worker.

August 2, 1905, I boarded the train at 5:15 A. M. on my way to the city of Quanah. At 3:00 o'clock P. M. promptly, the Chapter was opened in due form. Here I had the pleasure of meeting quite a good crowd of earnest workers, the work of all officers showing painstaking. Their Worthy Matron, Sister Wilson, and Sister Leifbeter as Conductress, are deserving special praise. At 5:10 P. M., accompanied by a large crowd of sisters and brothers, I was conducted to the depot, where with Sister Williams and Sister Smith I took the train for Childress. At 8:30 P. M., at Childress, I repaired to the Masonic hall, to find a large gathering of members of Childress Chapter to meet me. This is the home Chapter of Sister Dwight, Grand Warder. The work was given in a creditable manner, books showing a prosperous year, and peace and harmony prevailing throughout. I had the pleasure of meeting Sister Houssels, Deputy Grand Matron.

August 3, 1905, at 4:15 A. M., escorted by Sister and Brother Cope, found me headed for the depot, where I boarded the train for Estelline. In this little city I found that a big barbecue was to take place. After taking in the barbecue, in company with the members we repaired to the Masonic hall, where I was pleased to note the good work of the officers. All are interested and take a pride in the Order. Their books are neatly kept. On arriving at the depot at 11 o'clock, I found to my dismay that the train was nine hours late, and much to my regret, I was compelled to cancel date with Clarendon Chapter.

August 4, 1905, I visited Red Rose Chapter at Claude. I found this little band of officers quite earnest in their labor, due to the efficiency of the Worthy Matron, Sister Rickey. Here I had the pleasure of meeting Sister Gray, Grand Conductress, and Sister Morgan, Deputy Grand Matron. I found a nice set of books, well kept, and everything in good condition. My train again being late, after a wait of three hours, accompanied by Sister Morgan as far as Amarillo, I was soon speeding on my way to Dalhart.

August 5, 1905, on account of a very bad wreck, I found it utterly impossible to get to Stratford, cancelling my date with this Chapter by

telegram. The evening was spent with Dalhart Chapter. I found all officers well up in the work. In the absence of Sister Inman, Worthy Matron, the Associate Matron filled her chair very efficiently. Everything is moving along smoothly and their books are in good order.

August 7, 1905, at 10:00 A. M., I was escorted to the Masonic hall to pay an official visit to Bonita Chapter of Amarillo, and a large crowd greeted me. The Chapter was opened by Sister Morgan, who presides with true grace and dignity, and is ably supported by a good board of officers. The exemplification of the work was given in a proficient manner. At my request the floral work was given, which added much to the day's entertainment. A lovely souvenir spoon was presented me by Sister Morgan, on behalf of Bonita Chapter.

August 8, 1905, I arrived in Miami at 7:00 A. M. The members of this Chapter are deserving of great praise. Their hall and all belongings having been destroyed by fire; nothing daunted, they still hold their meetings. On account of the smallness of their meeting room, no work could be done, but I was pleased to see all officers very bright in the work and very progressive. My special thanks are due this Chapter, and Sister Gist more especially, for having met in the morning at such short notice, instead of afternoon, as first intended. This Chapter is fortunate in having for one of its members such a hard, earnest worker as Sister Gist. It is not surprising that with her help, and the able Worthy Matron that they have, that this Chapter still holds its own, although so severely tried. Their books are well kept.

That afternoon found me riding in a caboose towards the little city of Canadian. At night I inspected this Chapter, and although so far away, almost the extreme part of the State, I found them well up in the work, books in an excellent condition, and all imbued with the teachings of our noble Order.

August 9, 1905, I spent the evening with the Clarendon Chapter, the home Chapter of Sister Gray, Grand Conductress, where I found the Chapter in good hands, their Worthy Matron, Sister Williams, being well up in the work, and ably assisted by her corps of officers. I was presented by Sister Williams, on behalf of the Chapter, with a lovely cut glass vase.

August 10, 1905, inspected Canyon City Chapter at Canyon City. I was pleased to see all officers out and well up in their secret work. While this is a small Chapter, still they are doing some excellent work. Their books are in thoroughly competent hands. This Chapter defrayed stage fare for me to Tulsa.

August 11, 1905, I boarded the United States mail coach at 7:00 o'clock bound for the little city of Tulsa, where I arrived after a very warm and tiresome eight hours' ride over rough roads. Met with Mary Chapter at 4:30 P. M. I found this Chapter in a good, healthy condition—their books kept in a neat, precise way. They are to be congratulated on having such a good Secretary. Their Worthy Matron, Sister Scott, and their Worthy Patron, Brother Haile, are very enthusiastic, and with them at the head this Chapter is doing nicely. My thanks are due this Chapter for having me driven in private conveyance to Plainview.

August 12, 1905, just as I was starting for Silverton, a note was handed me from the Worthy Matron of that Chapter to not come to Silverton, for she could not get a quorum out. This is one of the most disinterested Chapters that I have met, the members not taking enough interest to attend a meeting, when the Grand Matron was willing to take a twenty-five mile drive over there to give them assistance and instruction. I do not see what they ever expect to accomplish, as I have been told that since their organization they have treated in like manner, all Grand officers or deputies who have attempted to pay them a visit. If such is the case, they are far from being a credit to the Order.

August 14, 1905, through the kindness and courtesy of Plainview Chapter, I held a meeting with them on the morning of the 14th, instead of that night. A more earnest little band of workers in the field of the Order of the Eastern Star I have never come across. All officers well up in the secret work, books nicely kept, and all seemed pleased and encouraged by my visit. Accompanied by Sisters Knight, Dye and Burch, these ladies furnishing their own conveyances, I was driven to Hale Center, a distance of eighteen miles.

After my arrival, I paid an official visit to Lemond Chapter at Hale Center, the home Chapter of Past Grand Patron Lemond, and Sister Alley, Grand Adah. On account of hastening my visit twenty-four hours sooner, as large a crowd was not out as otherwise would have been. I found their books neatly kept. Having to substitute quite a number of officers, the exemplification of the work was not given, but knowing this Chapter to be in good and competent hands, I feel assured they do some good work. Lemond Chapter defrayed stage fare to Lubbock.

August 15, 1905, after telephoning to Lubbock to find out if I could meet with them a night sooner, I left Hale Center by stage in the morning. Brother Lemond was to accompany me on my rounds on the plains, but I thought it too much to ask of him, and he being needed just at that time at home, I prevailed upon him to remain with Sister Lemond, and started on my thirty-seven-mile drive for Lubbock, arriving there at 6:00 o'clock P. M. On my arrival, I found that by some misunderstanding, no meeting had been called, and having made other arrangements, much to my regret I could not remain any longer than the next morning. I had the Worthy Matron send for the Secretary's books, and I was appalled to find that no meetings had been recorded since March, although the Worthy Matron assured me that meetings had been held regularly, and that the Secretary read them from slips of paper before copying them in her books. But these slips of paper could not be found. I was forced to give a reprimand, and I am pleased to say that the Worthy Matron promised to look into the matter and see that the books were kept in better shape.

August 16, 1905, I boarded the United States mail coach for Estacado, twenty-seven miles northeast. Here again I must mention the kindness of this Chapter for holding their meeting twenty-four hours ahead of time. Although not all of the members were out, yet quite a good number were present. Their books are properly kept, and I am pleased to say they are well up in the secret work, peace and harmony prevailing. My thanks are due this Chapter for having had one of their members take me to Floydada, twenty-seven miles, in their own conveyance.

August 17, 1905, I held an official visit with Floydada Chapter at Floydada. This Chapter deserves credit for the good attendance, and the splendid condition of the Chapter. They have a very proficient Secretary, books are neatly kept, and the Worthy Matron and all officers well up in the secret work. I feel that I owe them considerable thanks for meeting twenty-four hours ahead of the time first appointed, and the many courtesies shown me. This Chapter paid my stage fare from Floydada to Childress, as did all but one on the plains.

I have met with Chapters that have not been indifferent, but ignorant as to how the work should be done, and more than willing and ever anxious to be taught. I especially tried to strengthen the weak Chapters as I felt that they were the ones who needed and appreciated a visit from the Grand Matron.

In visiting the Chapters I have held schools of instruction, and at each the members have expressed themselves as having received great benefit. All the loving words, kind acts, and courtesies shown me by all of these Chapters have been fully appreciated.

To those in whose homes I have been so nicely entertained, I return my thanks. Lovely and costly gifts have been given me, and I was made to feel that my visits were indeed a help to them.

DECISIONS.

Many questions have come to me. Most of them I have answered by referring to the Constitution. However, I submit a few:

1. Question.—Can we initiate a man who is blind in one eye?

Answer.—There is nothing in our laws to prevent it, providing he is a Master Mason.

2. Ques.—If after three weeks certain petitions for the Order of the Eastern Star degrees are reported favorable by committee and ballots on said petition are spread, is the ballot under these conditions legal, without motion to waive time?

Ans.—While it is not in regular form, as one month should have elapsed, I take it for granted, as long as no one objected, that it was the unanimous consent of the Chapter that the ballot should be spread, and therefore waiving the time.

3. Ques.—Can a member be elected to the office of Associate Matron, said member not being present in the Chapter room at the time of her election to said office?

Ans.—Yes, any member can be elected to an office without her presence in the Chapter room being necessary at that meeting.

4. Ques.—Can a person having had the degrees communicated to him by Rob Morris, and who never belonged to a chartered Chapter, affiliate with us?

Ans.—No; he must make application to a regular Chapter of the Order, pay his fees, be accepted and initiated like any other person.

5. Ques.—Can a member who has been elected to an office, and who refuses to be installed, have charges preferred against her?

Ans.—No, not for refusing to accept the office.

6. Ques.—A Worthy Matron, elected last August, has never attended a meeting, and the old Matron does not want to fill the office any longer. Can we declare the chair vacant, and elect another Worthy Matron?

Ans.—No; if the Worthy Matron was installed after her election, you can not elect another and it is the duty of the Associate Matron to preside during the absence of the Worthy Matron.

7. Ques.—Is a young lady not being born in wedlock, and not bearing her father's name, but who has been supported and claimed by him, eligible to receive the degrees?

Ans.—Yes, if applicant's father is a Mason in good standing, and a certificate from him recognizes her as his daughter, that is sufficient for her to be eligible to the degrees.

8. Ques.—A lady petitions the Chapter on the standing of her father (the only proof is that he was buried by the Masonic Lodge, and no papers to prove his standing in said lodge). Is she entitled to the Order of the Eastern Star degrees?

Ans.—No; unless she procures the necessary documents, she is not eligible to the degrees.

9. Ques.—Is a widow of a Knight Templar, who was a dimitted Master Mason, and who intended presenting his dimit in a lodge, but who died before so doing, eligible to the Order of the Eastern Star degrees?

Ans.—No; as none but affiliated Masons and their female relatives are entitled.

10. Ques.—Is it permissible for Chapters to give public entertainments for the benefit of Chapters?

Ans.—There is no law in our Constitution prohibiting the same, therefore deem it permissible.

11. Ques.—When there are several candidates to be initiated, can we give all the obligation, and then seat all but one, and let the others witness the initiation?

Ans.—No; every candidate must pass through the regular initiation ceremonies.

12. Ques.—Has the Worthy Matron or Worthy Patron the authority to ask for a dispensation for any purpose without a vote of the Chapter?

Ans.—No.

13. Ques.—Can a young lady, raised by a Mason, bearing his name and considered as his daughter, although never legally adopted by him, be entitled to the Order or the Eastern Star degrees?

Ans.—No—unless legally adopted.

14. Ques.—Would a ballot be legal, if passed without black balls in the box?

Ans.—No—the ballot would not be properly prepared.

15. Ques.—Is the Worthy Matron allowed to take the Constitution and By-laws from the Chapter room?

Ans.—Yes—she is expected to do so, and to make a study of them.

DEDICATION OF THE MASONIC TEMPLE AT WACO.

On December 6th, by invitation, I attended the dedication ceremonies of the Masonic Temple at Waco. There I found the ladies of W. E. Owens Chapter serving meals to visitors for the purpose of raising money for their piano fund, which under the guiding hand of their Worthy Matron, Sister Matteson, was a financial success. In the evening in company with Sister Matteson, Sister Bell, Sister Hill, Sister Johnson, the Associate Grand Conductress, Associate Grand Patron, Brother Orchard, Sister Flanders, Worthy Matron of Dallas Chapter, and Past Grand Patron Parks, we were treated to a lovely drive over the city by our Grand Patron, Brother Canon.

At 8:00 P. M. I attended the ceremonies of the dedication, where an immense crowd was present.

The Grand Lodge is to be congratulated upon having such a handsome edifice for their home.

MISCELLANEOUS.

As per the report of the Committee on Unfinished Business in regard to the relief funds, which was adopted by the Grand Chapter at our last meeting, and in reference to this matter, not hearing from Brother W. S. Hoskins, on September 12th I addressed him the following communication under the seal of the Grand Chapter:

"DALLAS, TEXAS, 9-12-'05.

"MR. W. S. HOSKINS, Past Grand Patron, O. E. S., Houston, Texas.

"DEAR SIR AND BROTHER—At the last meeting of the Grand Chapter of the O. E. S. at Galveston, the following report, which you will find on page 79 of this year's proceedings, was adopted:

"Inasmuch as Brother W. S. Hoskins has not submitted an itemized statement to this Grand Chapter of the disbursement of the relief funds in his hands, we fraternally request Brother Hoskins to submit such report to the incoming Grand Matron, that the records and books of this Grand Chapter may be relieved of this matter. It is expressly understood that the report of Brother Hoskins shall not be published in the proceedings. Fraternally submitted—Kate M. Bryan, Lillie Stubbs, W. M. Babcock, Committee."

"Therefore, as Grand Matron of the Order, I hereby fraternally request you to comply with the terms of said resolution, assuring you beforehand that all due consideration will be given the same.

"Fraternally yours,

"AMELIA HUVELLE, Grand Matron."

No answer was received to my communication to Brother Hoskins.

CYCLONE AT NOCONA.

On July 7th, hearing of the cyclone that had passed through Nocona, I sent a telegram to Dr. H. F. Welton, Worthy Patron of Nocona Chapter, inquiring if assistance was needed for members of the Order of the Eastern Star. A few days afterwards I received a letter of thanks, conveying the good news that none of the members had been affected, and that assistance was not necessary.

BY-LAWS APPROVED.

The following amendments and by-laws were sent to me for my approval and, after examination, finding that they did not conflict with our Constitution and By-laws, I approved the same:

July 9, 1905—Amendment to the by-laws of Mount Calm Chapter No. 149 of Mount Calm.

August 21, 1905—By-laws of Adah Chapter No. 49 of San Antonio.

September 19, 1905—Legalized a meeting held without a charter, September 7th, under mitigating circumstances.

GRAND DIMITS EXTENDED.

January 10, 1905, extended Grand dimit to Brother Donner of El Paso.

March 10, 1905, extended Grand dimit to Sister Leona Ramsey of Detroit.

RECEPTIONS.

One of the very pleasant occasions of the year was a reception given on November 16, 1905, by Dallas Chapter No. 1, my home Chapter, in honor of my election as Grand Matron of Texas. It was a very warm welcome from loving hearts, which is deeply appreciated and which can never be forgotten. The hall was beautifully decorated. In the receiving line were all the Past Matrons and Patrons of the Chapter, also the Grand Secretary, Sister Leonard, and Past Grand Matron and Patron, Sister and Brother L. S. Garrison. In a neat little speech the Associate Matron, Sister Greenwald, presented me with a handsomely engraved souvenir spoon, a gift from the Matrons of Dallas Chapter, who were present at my election as Grand Matron. After a well-rendered program, dainty refreshments were served, and all declared the reception one of the most successful and delightful evenings that Dallas Chapter No. 1 had ever had. Credit is due to Sister Flanders, Worthy Matron.

On June 30, 1905, by special invitation, I attended a meeting of Tarrant Chapter No. 8 of Fort Worth. After the rendition of the work, which was nicely given, Sister McBride approached the East, and in a few well-chosen words, presented me, on behalf of the members of Tarrant Chapter, an elegant sterling silver, gold-lined loving cup, handsomely engraved. It was quite a surprise to me to receive such a beautiful present. I always felt that I occupied a warm place in their hearts, but little did I dream that I would be so handsomely remembered by the members of this Chapter. A farce called "Female Masons," was then given in a manner which showed the participants to be almost real actors. The entertainment was followed by a prettily arranged banquet, which marked the close of a most pleasant evening.

On July 28th, by special invitation, I attended a meeting of Keystone Chapter No. 9 of Fort Worth. Three candidates were beautifully initiated into the Order, after which Sister Ingraham, on behalf of the members of Keystone Chapter, presented me with a handsomely engraved, gold-lined souvenir spoon. This is the home Chapter of our Grand Secretary, of which she is Secretary, and in token of the love and esteem in which she is held they presented her with a beautiful picture. The very cordial fraternal greeting extended me will ever be remembered. Dainty refreshments were served.

ANNIVERSARY.

April 12, 1905, I attended the fifteenth anniversary of Dallas Chapter No. 1, to which all Grand officers of the State had been invited. The hall was beautifully decorated with stately palms and vases of flowers.

At this meeting, by special request and through the courtesy of the Worthy Matron, Sister Flanders, I presided during the initiatory part of the ceremonies. The work was faultlessly exemplified by the corps of Dallas Chapter's officers. Here I had the pleasure of meeting quite a crowd of present and Past Grand officers. A well-arranged program was rendered, which was enjoyed by all.

Early in the evening a beautiful bouquet was presented to me by Sister Crenwood, Associate Matron of Dallas Chapter, in behalf of the Chapter. A history of the Chapter since its organization was then given by Dallas Chapter's historian, Sister Maynard. Delightful refreshments were served and enjoyed by all. The hearty social spirit, with the beautiful decorations, refreshments, and music, left the memory of a very enjoyable evening.

INSTALLATIONS.

August 31st, by special request, I installed the officers of Farmersville Chapter at Farmersville. Quite a large number of visitors were present, and a well-rendered program was given. Refreshments were also served. This Chapter starts the new year with an able corps of officers, and their Worthy Matron and Patron, Sister and Brother Bradford, are earnest workers, and under their wise guidance this Chapter will prosper.

On September 4, 1905, I installed the officers of Dallas Chapter No. 1, my home Chapter. This was a public installation, to which many friends of the Order were invited. Delightful refreshments were served and a fine program was given, which was enjoyed by all.

CHARTERS LOST BY FIRE.

On May 16th an application was made to me from Miami Chapter of Miami to replace their charter, which had been destroyed in the burning of the Masonic hall. I regretted to learn of the occurrence, and at once sent them a duplicate charter free of charge.

On July 18th Burke Chapter of Burke had the misfortune to lose their charter and their books in the burning of their hall. I immediately instructed the Grand Secretary to forward them at once whatever supplies they needed, and also duplicated their charter free of charge.

REPORTS OF DEPUTIES.

LAREDO, TEXAS, Sept. 14, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S.*

DEAR SISTER—In compliance with your request, I herewith submit my report. Early in the year I wrote to the Master of the Lodge at Carrizo Springs, and received a courteous reply that as they were building a Masonic hall, they could not take up the O. E. S. matter at the present time.

I had a verbal promise from the Master at Corpus Christi, that he would use his influence to establish an O. E. S. Chapter at that place. I learned that he turned the matter over to a lady and she informed me that she found very few who would take any interest in it.

Hope Chapter at Brownsville is doing well. This Chapter I consider my special property.

In April, by invitation, I visited Favorita Chapter No. 69 at Stockdale, but, there being a Baptist meeting in progress, that, combined with a thunderstorm, in a measure defeated the object of my visit. I found the few I met well instructed, and their books are in a good condition.

Miriam No. 86 at Laredo (my own) has had a good year. I installed their officers on the 5th inst. They have selected Sister Miller as Matron, and under her care I bespeak for them a prosperous year.

The present method of appointing Deputies is very confusing, as I learned that the Deputy at Devine had also taken up the matter with Carrizo Springs, and the one at Victoria, Corpus Christi. I have always confined my work to my old Districts, and was much surprised that others had trespassed. I feel that too much zeal works harm where only good is intended. With best wishes,

Fraternally,

ELIZA J. RANDOLPH, General Deputy.

GALVESTON, TEXAS, Sept. 14, 1905.

MRS. AMELIA A. HUYELLE, *Grand Matron.*

I regret to report that the O. E. S. work done by me this year has been very little. I have had several letters from parties in regard to organizing Chapters. These I answered, giving them the necessary information and recommending them to the nearest Deputy.

I have had the pleasure of instructing the Matrons of several Chapters, and have kept up a correspondence with the members of the new Chapters organized last year. Received an invitation from Beaumont Chapter to visit them, but was prevented from attending the meeting. I attended all the meetings of Mizpah No. 2, and I am pleased to say that Sister Rebecca A. Henry has kept up the high standard of excellence which this Chapter has enjoyed in the past.

September 7th I installed the officers of Mizpah Chapter, Sister Rebecca Henry, Grand Ruth, acting as Grand Marshal. This being the regular meeting, no special program had been prepared. A pleasing feature of the occasion was the presentation of a Past Matron's jewel to Sister Henry, and I was the recipient of an arm bouquet of pink roses and ferns.

I wish to congratulate you upon your year's work, and to thank you for the courtesies you have extended to me. Hoping to be able to be with you in Dallas next month, I am,

Fraternally yours,

ALMA M. WALKER, Special State Deputy.

FORT WORTH, TEXAS, Sept. 15, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S., Dallas, Texas.*

DEAR SISTER—I beg to submit the following report as Deputy Grand Matron for the year:

On October 27, 1904, by invitation, I assisted Arlington Chapter No. 249 to confer the degrees on twelve candidates. After which a banquet was served.

November 3d, I installed the new officers of Arlington Chapter.

November 15th, installed the officers of Lewisville Chapter No. 243. Sweet music was furnished by Lewisville orchestra.

November 16th, was pleased to meet with Dallas Chapter No. 1, when they tendered you a reception.

January 5, 1905, accepting Sister Fannie V. Ward's invitation, assisted in organizing Aledo Chapter.

January 12th, in company with Sister Ward, visited Arlington Chapter No. 249.

April 12th, Dallas Chapter again honored me with an invitation. This time to attend their fifteenth anniversary, which I was pleased to accept.

June 30th, accepted an invitation from Tarrant Chapter No. 8 to their reception to the Grand Matron and other Grand officers.

July 18th, at your request, organized Boyce Chapter at Boyce, with eighteen of the charter members present. Initiated three candidates, and after holding five schools of instruction, left them with bright prospects.

And I must not pass unnoticed my home Chapter, Keystone No. 9, who, when on July 28th received our Grand Matron, and presented her a handsome spoon, also gave a beautiful picture to the Grand Secretary.

Again complying with your request, on September 8th I organized Elmo Chapter, with sixteen of the twenty charter members present.

Thanking you for the many courtesies you have shown me during the year, I am,

Fraternally yours,

CASSIE C. LEONARD, Deputy Grand Matron.

SAN ANGELO, Sept. 15, 1905.

MRS. AMELIA HUVELLE, *Grand Matron O. E. S.*

I am pleased to submit my report as General Deputy, and thank you for the honor conferred on me.

Early in the year, having received a special invitation, I went to Santa Anna and installed their officers. After the installation, a sumptuous banquet was served, and each guest received a souvenir star. This is a very promising Chapter, and I hear that at nearly every meeting applications are read. I was entertained by Sister Stockard. Brother Forster of Sterling City came to me for instruction in the secret work.

February 17th I organized Alamo Chapter with twenty charter members, Sister Clara Ransom, Worthy Matron, Brother Rush, Worthy Patron. Ballinger ought to have a very good Chapter, as there are so many enthusiastic Masons in this town. Sister Ransom was formerly one of San Angelo's charter members, and she most kindly entertained me.

May 22d I was requested to go to Ballinger and initiate several candidates, as the Worthy Matron was away, and also to instruct the members in the secret work. This time Sister Pearce looked after my comfort.

July 11th, at 6:30 A. M., I started for an eighty-five mile drive to Ozona, reaching my destination at about 8:30 P. M. Brother and Mrs. Couch were waiting for me at the hotel, and after supper drove me ten miles further to their ranch home, when, after a good night's rest, we drove back to Ozona and organized their Chapter with twenty charter members, Brother and Sister Couch, Worthy Patron and Worthy Matron. This Chapter starts under most favorable circumstances, as the Worthy Patron is a Past Patron and had all the work almost perfectly. I was with them three whole days and nearly all the officers had their work memorized. I left them on Friday and visited further west, returning the next Friday, when we initiated several candidates. I was delighted at the improvement a week's study had made. This ought to be one of the banner Chapters, as everyone seems to think only the best will do. Sisters Couch and Buck entertained me in Ozona.

I tried to have Samora U. D. allow me to visit and instruct them, but after repeated letters, I finally received an answer to the effect that they would wait until fall and possibly re-organize. This will be the third Grand Chapter this Chapter has been under dispensation and failed to report, and as far as I can learn, they have held no meetings for the last eighteen months.

I wrote to the Secretaries of the Blue Lodges at Miles and Coleman, with a view to having an Order of the Eastern Star organized, but so far with no result.

September 4th I had the pleasure of installing the officers of my home Chapter. We have done very well this year, having initiated fourteen and affiliated two.

Looking forward to seeing you shortly in Dallas, and thanking you for your many favors,

Fraternally yours,

EDITH FINDLATER.

TOLAR, TEXAS, Sept. 18, 1905.

MRS. AMELIA HUVELLE, *Dallas, Texas.*

DEAR GRAND MATRON—You will excuse me for not sending you my report before now.

I set Joshua Chapter to work March 21st, with Mrs. May DeJarnett as Worthy Matron, Dr. James Pickett, Worthy Patron, and Mrs. G. C. Frownfelter, Secretary.

Tolar Chapter is getting along nicely. Hoping to see you at the Grand Chapter, I am,

Fraternally yours,

J. K. BOWMAN.

SAN SABA, TEXAS, Sept. 18, 1905.

MRS. AMELIA HUVELLE, *Grand Matron O. E. S., Dallas, Texas.*

DEAR SISTER—Another winter and summer have passed away and autumn finds us bringing in the sheaves. Though I, like Ruth, sadly raise my hands to show how small are my gleanings compared with some who shall return laden with fruits of their toil to gladden the heart of their Grand Matron, yet I have done the very best I could, and that is all any one could do.

In submitting my report for the year now nearing a close, I want to first tender you my sincere thanks for the honor shown by appointing me one of your Deputies. I am so glad to be one of the representatives of such a worthy officer as our Grand Matron. I have not organized as many Chapters as I had hoped to this year.

On January 19th, accompanied by eighteen members of my home Chapter I proceeded to organize a Chapter at Richland Springs, with twenty charter members. After the organization, with the assistance of my officers, we exemplified the work and initiated eight candidates. I instructed the officers in the work and left them well up. I visited their Chapter about two months later and found them doing good work.

May 19th, with the assistance of five of my members and six of the Richland Springs members, I organized a Chapter at Locker, with eighteen charter members, and initiated three candidates. They learned the work very nicely. I have not had the pleasure of visiting their Chapter since, but I will visit them yet and see that they do the work well. I certainly wish them a prosperous Chapter.

August 10th, accompanied by eight of my officers, went to Lampasas, and at 3:00 P. M. met the charter members and arranged for the organization at 8:00 P. M., after which I initiated four candidates. All entered into the spirit of the work, and I feel that they will make a success of their Chapter. A lovely banquet followed. On the afternoon of the 11th the ladies of the newly organized Chapter came and took us for a delightful drive in and around the city. We had a very pleasant time, indeed.

Now, before Grand Chapter convenes, I hope to add to this report a Chapter organized in Austin and one in Lometa.

I can say with pardonable pride that San Saba Chapter will compare favorably with most any Chapter twice its size. We have our hearts

in our work. I truly thank the members for being so good to help me in the work as their Worthy Matron, and as Deputy Grand Matron.

Wishing you much success in your official work, and hoping to meet you at Grand Chapter, I am,

Fraternally yours,

JENNIE RIMMER, Deputy Grand Matron

Supplement to Mrs. Rimmer's Report.

On Thursday, September 28th, I organized Austin Chapter at Austin, the Grand Patron, Brother Canon, ably assisting. I had the pleasure of having Past Grand Patron, Brother Murrah, and Sister McNally, Past Matron of the demised Chapter at Austin, with us, and also Sister Anna Johnson serving as Grand Marshal. All honor to Brother Canon for courtesies extended in this work. This Chapter starts out under favorable conditions, and I predict for them a bright future.

On September 30th I instituted Lometa Chapter at Lometa. Sister and Brother Haynie of Lampasas Chapter were present at the organization. Sister Annie Whitmore as Worthy Matron, and Brother John McLean as Worthy Patron. Lometa Chapter will soon become one of our bright stars.

In passing through Lampasas, Worthy Matron, Sister Williamson, and others of their Chapter called on me at the hotel and we went over the work together. I found them well up in the work and getting along nicely.

With best wishes until we meet a week hence in Dallas, I remain,

Fraternally yours,

JENNIE RIMMER, Deputy Grand Matron.

LONGVIEW, TEXAS, Sept. 19, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S.*

DEAR SISTER—I herewith submit my report as General Deputy. My first work after receiving my commission was to resolve to do something wonderful. But my health would not permit me to do very much. I have been more than anxious to organize at least three new chapters, but have failed to organize any. I have written quite a good many letters to various places where they have Blue Lodge Chapters, but to those various letters I received no reply.

Gladewater Chapter is in good condition. My home Chapter, Bright Star, is in good condition. I installed the officers of my home Chapter September 6th.

Hoping that the meeting of the Grand Chapter will be well attended, and that each delegate will carry back home some of the benefits derived from its deliberations, I am,

Fraternally yours,

MITTIE BROWN, General Deputy.

UVALDE, TEXAS, Sept. 8, 1905.

MRS. AMELIA HUYELLE, *Dallas, Texas.*

DEAR GRAND MATRON—On September 4th (Monday) I organized the Chapter of the Order of the Eastern Star at this place. Mr. Winston assisted in the work of organizing. From the interest manifested, I think the Chapter promises to be a successful one. We shall make returns to the Grand Secretary in due time, and hope that the same may meet the approval of the Grand Chapter, and that we may be granted a Charter, even though our time for work is very short.

Hoping that this year has been one of both pleasure and profit to yourself, and that you may be able to visit and inspect our new Chapter here, I am,

Lovingly and fraternally,

AGNES C. WINSTON.

HALE CENTER, TEXAS, Sept. 19, 1905.

DEAR GRAND MATRON—I regret very much to be compelled to make record of no Chapter organized. However, I am persuaded the year has not been entirely lost. I believe I have done some good work. There is good interest shown in every Chapter on the Plains, with perhaps one exception.

I am so glad your administration has been a great success. You certainly merit the applause of the entire fraternity.

Hoping to meet you very soon, I am,

Fraternally yours,

R. W. LEMOND.

PLANTERSVILLE, TEXAS, Sept. 19, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S., Dallas, Texas.*

ESTEEMED GRAND MATRON—I beg leave to submit the following as my annual report, as your Deputy Grand Patron:

In accordance with your advice, on August 1st I visited Madisonville Chapter and examined the records of their Chapter, found them neatly kept, and in accordance with the regulations of our Order. I also found the officers and members of this Chapter fairly well posted in the secret work of our Order, especially their Past Worthy Matron, Sister Rella Morris. And to report in a general way, this Chapter has conducted their affairs with great care and ability. I also found that the Masons of the Blue Lodge and Royal Arch Chapters are giving our Order their support, which I was glad to see. At this meeting of their Chapter they elected a full set of officers for the ensuing year.

On September 7th I visited Somerville Chapter, having been invited there to install their officers.

I devoted some time in trying to get Chapters organized at Anderson and Navasota, but owing to the fact that the busy season of this year came on early, and the near approach of the meeting of the Grand Chapter, I have been unable to do so.

Oak Grove Chapter is now in a very prosperous condition. While it has had some discord among the membership during the past year, it now has the support of the best people, and is doing well. And as Past Worthy Patron of this Chapter, I wish to extend to our Grand Matron and Grand Patron our sincere appreciation for their support during the past year.

I would respectfully recommend that the Worthy Matrons and Worthy Patrons of subordinate Chapters be admonished to cultivate and insist upon having good discipline in their Chapters.

Respectfully submitted,

T. J. TUCKER, Deputy Grand Patron.

DEVINE, TEXAS, Sept. 19, 1905.

MRS. AMELIA HUYELLE, *Dallas, Texas.*

DEAR SISTER—As your Deputy I organized Pearsall Chapter, May 4th, with twenty members, initiating six the first evening. Just three months afterward I visited them and found them well learned in the secret and ritual work. I was really proud of them. The Masonic fraternity is very large at Pearsall, and in their congenial atmosphere the Order of the Eastern Star will surely flourish. Their membership is already forty-six, and some of their members come in from those Western ranches sixteen and twenty miles. But what does a stockman care for "broad acres" or "boundless prairies?"

I have written several letters to Carrizo, Moore and Benton, and believe they will organize Chapters within the next twelve months.

Our home Chapter at Devine numbers sixty members, and is doing well, considering the absence of three of our officers, caused by ill health.

Last week, while in San Antonio, I had the pleasure of visiting Adah Chapter, and was received with "grand honors," after which, under the inspiration of the hour, I made them a little talk, and recited a little poem. "The Eastern Star." It was well applauded. "From the fullness of the heart, the mouth speaketh."

Hoping to add several new Chapters from "Out West," I am,

Fraternally,

MARY McANALLY, Worthy Matron Devine Chapter No. 43.

CUMBY, TEXAS, Sept. 20, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S., Dallas, Texas.*

DEAR SISTER—In compliance with your request, I hand you herewith my report as your Special State Deputy. I have done what I could and have been very grateful that I have been permitted to assist you in any way.

In November, 1904, I visited Rockwall Chapter socially, and assisted them in conferring the degrees upon several candidates. As I had organized this Chapter only a short time previously, I was very much gratified with the excellent manner in which they performed the work. I was entertained by Mr. and Mrs. R. M. Womack in the most hospitable manner.

May 3, 1905, I held the Hunt County school of instruction with Caddo Mills Chapter, with a good attendance from Greenville, Kingston and Caddo Mills.

On the 9th of June, upon the invitation of the Chapter, I attended the meeting of Greenville Chapter upon the occasion of the official visit of the Grand Matron, and next day went to Caddo Mills for the same purpose in company with the Grand Matron and Grand Treasurer.

July 8, 1905, I organized Floyd Chapter, assisted by the officers of Caddo Mills Chapter. The credit for the institution of this Chapter belongs to Brother K. L. Lowenstein, who is always alert to the interests of the Order of the Eastern Star.

August 24th and 25th, I held the second session of the Hunt County school with South Sulphur Chapter, with a fine attendance from the home Chapter, but with very few visitors, which was occasioned by the numerous picnics in the vicinity.

On September 28th I organized a Chapter at Mt. Pleasant. I think they will have a fine Chapter there as they have good material.

I have written letters to Campbell, Lone Oak and Wieland in the interest of the Order, but received no replies, except from Campbell and they did not deem it an opportune time to organize at present.

Thanking you for your confidence and unflinching kindness and courtesy, I am,

Fraternally yours,

MISSIE E. SMITH, Special State Deputy.

EL PASO, TEXAS, Sept. 20, 1905.

MRS. HUYELLE, *Grand Matron O. E. S.*

DEAR SISTER—Yours of late date received. In answer am sorry that I have no report of work done, not through neglect or indifference, but owing to my location being so near the border of other States.

Thanking you for the honor, and for your many kindnesses and courtesy through the year, and hoping to meet you in Dallas, I am,

Fraternally yours,

ANNIE LEARY, Deputy Grand Matron.

DENISON, TEXAS, Sept. 20, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S.*

DEAR SISTER—Thanking you for past favors, and the honor you have conferred upon me, I herewith submit my report as your Deputy.

On November 9th I went to Whitewright, accompanied by Sister Causey, Worthy Matron Gate City No. 77, and organized a fine Chapter with twenty charter members. Sister Causey acted as Grand Marshal. After the organization the work was exemplified, several candidates being in waiting. Thanks to the kindness of the Whitewright people, the Deputies' expenses were provided for, thus saving the Grand Chapter a few dollars. After the initiation, elegant refreshments were served in the banquet room.

On March 17th, accompanied by Sister Shaffer, went to Bonham to visit Constance Chapter No. 209. Presided in the Worthy Matron's chair, Sister Shaffer acting as Conductress. Three new members were initiated. Examined the books and found them very neatly kept and the Chapter in good working order. A delightful banquet was served, at which many hearty, humorous toasts were given. We were entertained at Brother Hollyer's beautiful home.

On April 6th, went to Collinsville where Sister Huyelle was organizing a Chapter. Acted as Grand Marshal. Was delightfully entertained at Sister Corey's, the newly installed Conductress. A fine Chapter was placed in good working order.

On May 5th, accompanied by ten members of Gate City Chapter, went to Pottsboro and organized a Chapter of twenty charter members. Sister Causey acted as Grand Marshal, and Brother Moss as Grand Patron. The following Friday evening my husband and myself went to Pottsboro and exemplified the work, initiating several candidates. All members seem very much interested in the work, and we have every reason to believe the new star will be a bright one.

Thanking you for many past courtesies, and wishing you great success at the coming Grand Chapter,

Sincerely and fraternally yours,

LILLIAN D. BROWN, General Deputy.

LEONARD, TEXAS, Sept. 21, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S., Dallas, Texas.*

MY DEAR SISTER—In accepting the position as General Deputy Grand Matron, I expected to do much work during the year, organizing and visiting other Chapters and trying to do all in my power to build up our noble Order, but am sorry to say that my health has prevented me doing as I desired. I have been afflicted most all the year with rheumatism, and have had to be away from home during the summer for my health part of the time. I have not been able to visit my home Chapter for two months, but have done what I could to build it up, and we have a good working Chapter here.

I think I can organize a Chapter at Trenton soon.

Hoping you and the other Deputies will have good reports, I remain,

Fraternally, your sister,

CORDIE CRABB.

TEMPLE, TEXAS, Sept. 21, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S., Dallas, Texas.*

DEAR SISTER—Thanking you for many past favors and the honor you have conferred upon me, I herewith submit my report as your Deputy. It is not what I would have. My health being so poor, I have been able to do but little.

On June 9th I organized Corinthian Chapter at Belton, with twenty members. I held three meetings. Vashti Chapter was there and exemplified the work, which they did beautifully. Brother W. B. Blaine assisted as Grand Marshal, after which Corinthian Chapter served nice refreshments.

I wrote to Killeen, Salado and Bartlett, receiving no replies from Bartlett or Salado. Killeen seemed very anxious to get a Chapter, but had demised once and did not have quite enough courage to try again.

Congratulating you on a most successful administration, and hoping to meet the Grand officers and members at Dallas, I am,
Fraternally yours,

MITCHE HARKEY, Grand Deputy.

CRAWFORD, TEXAS, Aug. 14, 1905.

MRS. AMELIA HUYELLE, *Dallas, Texas.*

DEAR SISTER—On August 7th I organized Sanger Chapter with seventeen members present. I remained with them until Thursday night. They manifested good interest in the work. I left them in the hands of a Past Worthy Patron. I believe we will be proud of Sanger Chapter.

Yours fraternally,

C. W. C. NORWOOD, Special Deputy.

BEAUMONT, TEXAS, Sept. 21, 1905.

MRS. AMELIA HUYELLE, *Grand Matron, Dallas, Texas.*

DEAR SISTER—A few days after my return from the Grand Chapter at Galveston I wrote letters to all Masonic lodges in this district, making inquiry as to the advisability of organizing Chapters of the Eastern Star, sending them copies of instructions and blank applications, to which I received very few replies.

On December 29, 1904, by authority of your dispensation, I organized Port Arthur Chapter. That Chapter has been doing good work, as you know from your personal visit.

On June 28, 1905, I visited Kountze, with a view of ascertaining whether or not it would be advisable to organize a Chapter there. Finding that Olive Chapter was within three miles of Kountze and doing well, and fearing that another Chapter so close would not succeed but probably kill both, and in view of the fact that Kountze had had a Chapter once before, I discouraged the idea.

On March 24, 1905, I visited Kirbyville Chapter and assisted in conferring degrees on two candidates. This Chapter is doing well, they having a good corps of officers, and I think we will hear good results from them.

On three different occasions I visited Liberty. Have a charter list of twenty, through personal canvass, but have never been able to get them to hold a preliminary meeting to suggest officers. Upon investigation, I find there are two political factions there, so I think we had better let them alone until there is a better feeling in the community.

On account of yellow fever in New Orleans, and it sometimes having been reported here, I put off visiting Chapters until the scare was partly over, and when I arranged my appointments I found that it was impossible to visit many of them without losing too much time.

On September 16, 1905, I visited Olive Chapter, and found them in excellent condition, being almost perfect in the secret work, and their exemplification of the work very good, although they had not perfectly learned the ritual. They promised me faithfully they would do so.

On the 18th inst. I visited Silsbee Chapter U. D. Saw them initiate two candidates, which was done very creditably for a Chapter only one month old. And I heartily recommend them for a charter.

Beaumont Chapter No. 71 has this time elected a corps of officers that will give their attention to the work, and I think there is a bright prospect for the Chapter in the future. And, although we have worked under great disadvantages (as you know) for the past year, yet I expect we are the banner Chapter of the State this year in increase, having initiated sixty-seven.

I am exceedingly sorry I have not been able to do the work I had laid out for myself, but believe that some good seed have been sown, from which a harvest will be gathered later on.

Bespeaking for us a harmonious and prosperous session at Dallas, I am,

Fraternally,

JOHN ORCHARD, Associate Grand Patron.

HOUSTON, TEXAS, Sept. 21, 1905.

MRS. AMELIA HUYELLE, *Grand Matron.*

DEAR SISTER—I herewith submit my report as Deputy, and thank you very much for the honor thus conferred upon me.

On November 10, 1904, I installed the newly-elected officers of Dayton Chapter, and was entertained at the home of the Worthy Matron.

January 18, 1905, I organized a Chapter at Crosby. The members were all very enthusiastic and eager to learn the work. I visited this Chapter April 15th, and instructed them in the work. By request I visited them at their regular meeting in July. They initiated four candidates in a very creditable manner.

I visited Tarkington Prairie Chapter by request April 14th, and instructed them in the secret work.

On August 31st I was invited to install the officers of Ransford Chapter. I am pleased to report that besides paying the running expenses of the Chapter, they purchased a stereoscope and finished paying their shares in the new Masonic temple. They begin the new year with excellent officers, and I predict for the Chapter a very prosperous year.

I mailed printed matter to Liberty, Goliad and Hempstead. Thought at one time I would be able to organize at Liberty, but have not heard anything more from them. Goliad is about ready to organize. I have been wanting to hear from them or would have sent my report sooner.

I expect to leave here the night of October 8th, and will devote all day Monday to any who desire to learn the secret work.

Fraternally yours,

CARRIE B. LANE, Deputy Grand Matron.

BIG SPRINGS, TEXAS, Sept. 22, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S., Dallas, Texas.*

DEAR SISTER—Upon receipt of my commission, appointing me General Deputy Grand Matron, for which I wish to express my sincere thanks for the honor thus bestowed, I immediately commenced work in an effort to best subserve and promote the interests of our beloved Order, resulting as follows:

Pursuant with your personal request, on October 18th I visited Beaumont Chapter No. 71, giving thorough instructions in the work, after which I assisted Past Grand Matron, Sister Ree Alvord Ebert in conferring the degrees on three candidates, and later did justice to some nice refreshments.

The evening of October 21st, in company with Sister Cassie C. Leonard, Grand Secretary, I socially visited Tarrant Chapter No. 9 at Fort Worth.

On October 25th, assisted by Sisters Louise Rowley, Worthy Matron, and Jessie Hinds, Conductress of Big Springs No. 67, I instituted Midland Chapter U. D. with twenty charter members, six initiates and nine affiliations. The greater portion of three days was spent in familiarizing the officers with the work. During our pleasant stay in this beautiful "Wind Mill City" of the Staked Plains, we were delightfully entertained at the elegant homes of Brother and Sister Curtis, and Sister Marie J. Riggs.

On invitation I visited Merkel Chapter No. 212, November 1st, and installed the new officers, after which ceremony dainty refreshments were

served. While in Merkel I was the guest of the Worthy Matron, Sister Mattie Leeman.

I was requested to go to Baird to install the officers of Callahan Chapter No. 242 on December 7th. In doing this work Sister Fannie Ellis acted as Grand Marshal. At the close of the ceremony to my great surprise Sister Maggie Russell approached the East, and with a short, select address presented me with a most beautiful sterling silver toilet set on behalf of Callahan Chapter. This being a public installation the members and guests were served with an elegant banquet. On the following evening seven candidates were initiated.

In company with the Grand Matron and other Grand officers, the greater portion of Christmas week was devoted to selecting presents and perfecting arrangements for the Christmas tree at the Masonic Home, December 28th.

On January 5th, Grand Secretary Cassie C. Leonard and I organized Alamo Chapter with twenty charter members. While on this pleasant mission we were entertained at the hospitable home of the Worthy Matron, Sister Eva Leach.

January 10th found me in Indian Creek (which, by the way, is eighteen miles from Brownwood and is only reached by back or private conveyance). This Chapter was started off with twenty charter members, and all officers thoroughly familiar with the work. The zeal and fortitude displayed by the entire membership of this Chapter in battling with the elements to make their organization a complete success is worthy of especial mention. While doing this work I was ably assisted by Sister and Brother Hawkins, Matron and Patron of Brownwood Chapter No. 116. During my stay I was delightfully entertained in the home of Sister Nannie Carnal.

In company with Grand Secretary, Sister Cassie C. Leonard, I visited Arlington Chapter No. 249, January 19th, and by special request a school of instruction was held.

January 20th I paid a social visit to Dallas Chapter No. 1, at which time two candidates were initiated, and dainty refreshments served.

The evening of February 17th I attended an O. E. S. play at Baird, given by the members of Callahan Chapter for the purpose of raising funds to purchase new paraphernalia for their Chapter.

I was invited to attend the regular meeting of Midland Chapter on February 21st, at which time six candidates were initiated in a very creditable manner without the use of a single ritual, after which a most elegant banquet was served.

February 28th I organized Stamford Chapter, with twenty charter members, nine initiates and one affiliation by Grand dimit, thus starting this Chapter off with thirty enthusiastic members. While in this beautiful little city I was the guest of Brother W. E. Dakan and wife.

On March 13th I organized Santo Chapter with twenty members and five initiates. In doing this work I was ably assisted by Sister Lois Rice, Worthy Matron Gordon Chapter No. 197, and her full set of officers. While engaged in this work I was delightfully entertained by the Worthy Matron, Sister Irene Cox.

April 19th I organized Brock Chapter, with twenty charter members and three initiates. In this organization I was rendered most valuable assistance by Sister Dora Wilson of Peaster Chapter, and Brother and Sister Brazelton of Weatherford Chapter. Notwithstanding this Chapter is located ten miles from the railroad, and is only reached by a rough and rugged road, beset with some few dangers, the members are of so enthusiastic a nature that I feel a successful career for their Chapter is assured. I was entertained while at Brock by the Worthy Patron, Brother Parker, and his wife.

On April 24th I organized Ranger Chapter with twenty charter members, five initiates and one affiliation. Much interest was displayed by the officers and members generally.

On April 27th Sister Helen Thompson of Ranger Chapter and I left Cisco on U. S. mail back No. 1 for Rising Star, twenty-five miles south of Cisco, and at 2:00 o'clock that afternoon organized Rising Star Chapter, with twenty charter members and seventeen initiates, Sister Thompson acting as Grand Marshal and ably assisting in teaching the secret work. During our three days' sojourn in this city we were delightfully entertained at the home of the Worthy Patron, Brother W. D. Mayben, and his good wife.

On May 12th I incidentally visited Keystone Chapter No. 9 at Fort Worth and spent a very pleasant evening with its members.

May 15th I organized Eastland Chapter with twenty charter members, seven initiates and one affiliation. Sister Helen Thompson of Ranger Chapter rendered valuable assistance all the way through this work. While thus engaged we were entertained at the hospitable home of the Associate Matron, Sister Estelle Peck.

I paid a visit to Callahan Chapter No. 242, at Baird, May 22d, at which time three candidates were initiated and refreshments served, resulting in a general good time to all present.

May 23d I paid an official visit to Merkel Chapter No. 212, at which time it was expected to initiate quite a class of candidates, but owing to very inclement weather it was impossible for members or candidates to attend. However, I held a private school of instruction with several of the officers, teaching them the secret work.

On June 6th I attended a special meeting of Merkel Chapter No. 212, conferring the degrees on one candidate. The same evening a school of instruction was held for the benefit of the officers and members present. While engaged in this work I was entertained at the home of the Associate Matron, Sister Orie Freeman.

I again went to Merkel June 20th, to attend a regular meeting and assist in conferring degrees, on which occasion I was entertained by the Associate Conductress, Sister Annie Smith.

By special invitation I went to Baird, August 31st, to install their new officers, and assist in initiating eight candidates. Sister Fannie Ellis acted as Grand Marshal through the installation work. After these ceremonies tempting refreshments were served. While on this visit I was royally entertained by Sister Dora Harmon, Worthy Matron.

On September 1st I was invited to install the new officers of Merkel Chapter No. 212, Sister I. S. Adkisson of Decaturville Chapter No. 28, Decaturville, Tenn., acting as Grand Marshal. After the installation, one candidate was initiated. While there I was the guest of Sister Annie Smith, Associate Conductress, and to whom I am under many obligations for numerous courtesies and general assistance.

At your request I went to Gordon September 8th, and installed the new officers of Gordon Chapter No. 197, Sister Louise Rowley, of Big Springs Chapter No. 67, acting as Grand Marshal, after which two candidates were initiated. I also held a special meeting in the afternoon, teaching the secret work. I was entertained at the homes of Sister Lois Rice, Worthy Matron, and Brother and Sister McCorkle.

On September 19th, was invited to attend a regular meeting of Midland Chapter U. D., at which time the degrees were conferred, after which nice refreshments were served, and a very pleasant evening was enjoyed by all present. I was the guest of Worthy Matron America C. Rhea, who made it a special point to see that nothing was left undone to make my visit complete.

In my travels during the year I am delighted to be able to state that all officers and the membership at large have the interest of our Order

at heart, which certainly means a great deal for the general advancement of the sublime principles of our beautiful Order.

In conclusion I want to thank you again for the honor and special privileges enjoyed through your kind consideration, and for the many courtesies extended me. Trusting that you have enjoyed the past year none the less because of its multitudinous duties, and wishing you many happy returns, I am,

Sincerely yours,

FANNIE V. WARD, General Deputy.

TRINITY, TEXAS, Sept. 22, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S., Dallas, Texas.*

DEAR SISTER—I herewith submit my final report as your Deputy.

On March 15th I organized a Chapter at Groveton. Made them a visit March 23d—saw them initiate seven candidates. During the months of March and April I wrote letters and sent circulars to fourteen lodges. Not one of these replied.

On September 19th I visited Groveton Chapter U. D. Saw them exemplify the work. They are in full possession of the secret work and the Chapter is in good condition.

On September 21st I visited a called meeting of Trinity Chapter No. 186, and gave them some instruction in the secret work.

Thanking you for your kindness and for honors conferred, and hoping to meet you with the Grand officers at Dallas, I am,

Fraternally yours,

BERTHA WOOD, Deputy Grand Matron O. E. S.

CLARENDON, TEXAS, Sept. 23, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S.*

DEAR SISTER—As your General Deputy I beg to submit the following report, and thank you very much for the honor thus conferred on me. This district does not furnish very much work in the way of organizing, as most all towns that have Masonic Lodges also have Eastern Star Chapters.

On August 4th I visited Red Rose Chapter. There I had the pleasure of meeting the Grand Matron, also Sister Morgan, Worthy Matron of Bonita Chapter.

On September 7th I installed the officers of Clarendon Chapter with Sister Florence Trent, Past Matron of Clarendon Chapter, as Grand Marshal.

On September 6th I made a visit to Memphis, thinking I could organize a Chapter at that place, but failed to do so, as they were fixing to build a new hall, and did not think they could do anything until after that was completed. I also tried Higgins, but could not even hear from them. I regret very much that I could not organize at one or both places.

I trust that I can be with you at the coming Grand Chapter meeting.

Fraternally yours,

MOLLIE E. GRAY, Grand Deputy.

LADONIA, Sept. 23, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S. of Texas.*

DEAR SISTER—I hereby submit my final report for the O. E. S. year, as your Deputy. I would first, however, thank you for the honor, and the many pleasures it has afforded me during the time I have tried to represent you in the northeast corner of your jurisdiction.

On January 23d I visited Clarksville, and as it is a good-sized place, I expected to organize a Chapter, but found that a very well-versed somebody had informed the would-be sisters that the Order of the Eastern Star had been brought into existence for the purpose of having the ladies

do the charitable drudgery that properly belonged to the Masons and which they were too lazy to perform. I failed to organize, but removed most of these erroneous impressions.

On January 30th I visited Detroit and found the Chapter well up in the work, and prospects at par.

On February 14th I visited Roxton, and believe I could have organized a weak Chapter with perhaps fourteen members; but as the place is small, I advised them to wait and work up more interest.

On May 26th I visited DeKalb and put forth my best efforts to revive the Chapter at said place, but find they have so little interest, I fear that the next Deputy will get their charter.

On May 29th I visited Cooper. Found them up on the work. Very kind and considerate to visitors.

On January 30th I visited Mt. Pleasant. I found some interest, and had it not been one continual rain, I could have organized.

On July 22d I visited Honey Grove and repeated my efforts of last year, but I think they have agreed to select their own good time.

On July 25th I visited Petty, and was requested to give instructions in the work. I held two sessions and found that they knew the secret work, as well as ritualistic, perhaps better than I did, so we closed with the understanding that I should return on August 31st, and bring Mrs. Dennis and Baby Marian with me, and publicly install the newly-elected officers. We were there on time, and installed the officers. Sister Etta E. Dennis acted as Grand Marshal. We were then entertained with the best lecture on the objects of our Order, delivered by Brother Cowder, a member of Constance Chapter No. 200, of Bonham, that I have ever heard. After this refreshments were served, and a very pleasant meeting closed.

On August 10th I visited Dodd City. The place is small and slightly divided. I did not try much to organize.

On August 18th I visited New Boston, almost persuaded that I could organize at least one Chapter. I received some encouragement, but it set in raining, so I left a petition partly filled, and Brother D. Ruff promised to complete and forward it to me, but I am still waiting and think the Brother is treating me "ruff."

On September 8th, at our stated meeting, I had the honor to install the officers present, which were the five highest. We expect to have a called meeting to complete, hence the delay of our returns.

I was invited to visit Constance Chapter No. 200 on September 29th, but having an appointment as D. D. G. Master of the 3d Masonic District, I can not be with them on that date.

Knowing that your year's labor will terminate with credit to you and honor to our beloved Order, I am,

Fraternally yours,

J. L. DENNIS, General Deputy.

LAMB, TEXAS, Sept. 24, 1905.

MRS. AMELIA HUYELLE, *Grand Matron O. E. S.*

DEAR SISTER—On February 28th I organized a Chapter at Lamb. This Chapter is doing nicely and I think they will be a good Chapter.

I have written to Liberty, Livingston and Shepherd, but I failed to do anything at either place.

I would have been pleased to have done more for the Order in organizing a few Chapters, but there has been a great deal of sickness in this part of the State.

Again thanking you for past favors, I remain,

Fraternally yours,

CHAS. LAMB.

CROSBY, TEXAS, Sept. 25, 1905.

MRS. AMELIA HUYELLE, *Grand Matron.*

DEAR SISTER—I herewith submit my annual report for the Eastern Star year.

On January 4th I visited and instructed the Chapter at Coolidge, Armour Chapter.

In October, 1904, I organized a Chapter at San Augustine.

On August 18th I organized a Chapter at Silsbee. I left the Chapter in fine condition, and predict a successful career for them.

I regret that I have not been able to do more for the Order, but I have had a good deal of sickness in my family, which has prevented my absence from home.

I feel that your administration has been a complete success, which is a pleasant thought to me.

With kindest and best wishes, I remain,

Fraternally yours,

J. L. MILLER, Deputy Grand Patron Order of the Eastern Star.

DEHILTREE, TEXAS, Sept. 26, 1905.

MRS. AMELIA HUVELLE, *Grand Matron O. E. S.*

DEAR SISTER—On September 8th I had the pleasure of instituting a Chapter at Higgins, Texas, with twenty charter members. I have met with them two or three times since for practice and instruction.

They are enthusiastic in the work, and I predict for them a useful career.

It gives me pleasure to hear of the successful year you have had as Grand Matron, and the increasing influence for good of the Order of the Eastern Star.

Please again accept my thanks for the appointment you gave me as Deputy Grand Patron. I am, with fraternal regards,

ALFRED C. McDANIEL.

AMARILLO, TEXAS.

MRS. AMELIA HUVELLE, *Grand Matron O. E. S.*

DEAR SISTER—In compliance with your request I herewith submit my report as Grand Deputy.

In February I visited Nocona Chapter No. 62, arrived there on the evening of their regular meeting, repaired to the hall and found them awaiting my arrival to hold a meeting, which I did to the best of my ability. Found them very interested in the work. I intended to meet with them again, but was unable to do so.

Second Thursday in June I visited Dalhart Chapter, had a pleasant visit with them, and found them in good working order, and much interested in the work.

On June 27th I called a school of instruction to meet with Bonita Chapter, which was well attended, there being twenty-six visitors present, belonging to eight different Chapters. This meeting I am sure was both interesting and instructive.

On September 11th I organized a Chapter at Channing, with twenty chartered members. I staid with them two days, left them in good order, and well interested.

In my home Chapter we have had a splendid year, taking in twenty-four additions during the year, and starting out under favorable conditions for a new year. I am, fraternally yours,

LEONA MORGAN.

DALLAS, TEXAS, Oct. 6, 1905.

MRS. AMELIA HUVELLE, *Grand Matron O. E. S. of Texas.*

DEAR SISTER HUVELLE—It is with much regret that I am not able to make you such a report as one of your General Deputies as I wish I could, and as I feel assured you expected of me when you conferred upon me the honor of being one of your representatives. But my business the past year has been of such a pushing kind that it was a physical impossibility

for me to give the duties of the office the time and attention I wish I could have done.

I have only visited two Chapters other than my own, during the year, and that not in an official capacity. Both were doing good work, and reflecting the influence of an appreciated administration of a loved Grand Matron.

On September 1st made an official visit to Dallas Chapter No. 1, inspected the books, etc., and found everything in a growing and satisfactory condition—a large membership, many initiates, and good attendance.

With best wishes for "the good of the Order," I am

Fraternally yours,

J. E. FLANDERS.

JUNCTION, TEXAS, Sept. 26, 1905.

MRS. AMELIA HUVELLE, *Grand Matron O. E. S.*

DEAR SISTER—I must begin this with a request that you pardon me for a seeming neglect, but just after I organized a Chapter at Marysville, being worn out with my summer work, I was unable to do more for our Order, and went on my vacation.

On March 3d I instituted Ringgold Chapter, working with them two days, and left them with twenty-two of the most enthusiastic sisters and brothers I have ever met. As to their work, I will leave that to our Grand Matron, as I think she has visited them. I predict for them a bright future.

August 18th I organized Marys Chapter, with twenty charter members, at Marysville, the Blue Lodge men paying all necessary expenses for the organization. Here I found an earnest band of workers, and all well pleased with the work.

I fear I shall not be able to attend the Grand Chapter, but I hope peace and harmony may prevail.

Fraternally yours,

JESSE T. ARCHISON.

NEWTON, TEXAS, Sept. 30, 1905.

MRS. AMELIA HUVELLE, *Grand Matron.*

DEAR SISTER—As required by the regulations of the Grand Chapter, I beg to tender you my report as your Special Deputy.

On January 11th I organized a Chapter at Kirbyville, known as Kirbyville Chapter. I remained with them three days, drilling them in the ritualistic work; and in about two weeks thereafter, visited a called meeting of the Chapter, and saw that they were able to render the work properly.

On July 29th I constituted Jasper Chapter at Jasper, and remained with the members until the 31st, leaving them very proficient in the work, and well qualified to carry out all the requirements of the ritual.

Newton Chapter No. 224 is in a fairly prosperous condition, and will be represented in the Grand Chapter at Dallas by our estimable Worthy Matron, Miss Kate Wilson.

I regret exceedingly that other pressing engagements will prevent my attending the Dallas communication, but my heart will be with you in the work.

Fraternally submitted,

J. R. WEST, Special Deputy Grand Patron.

RECOMMENDATIONS.

I recommend that no place be selected as a permanent home for the annual sessions of the Grand Chapter, as it is of great benefit to the local Chapter which entertains to receive these visits.

I recommend that all delegates from subordinate Chapters be required to give a written report of the transactions of the Grand Chapter sessions

to their Chapter. It would require a closer attention from a majority of delegates than is usually given at Grand Chapter meetings.

I recommend that a chapter of sorrow be held in every Chapter once a year in memory of their departed members.

I recommend that the Grand officers be required hereafter to exemplify the work at every annual meeting of the Grand Chapter. They, being authority in the work, would therefore be an instruction to the subordinate Chapters.

I recommend that the following words, "You will repeat after me, giving your name in full," be said just before giving the obligation.

CHRISTMAS FESTIVAL AT THE MASONIC WIDOWS' AND ORPHANS' HOME, FORT WORTH, TEXAS.

I have always endorsed the action of my predecessors in regard to the Christmas holidays at the Home, as no opportunity is better given to the Order of the Eastern Star to bring joy and sunshine to so many hearts as on this occasion. In inaugurating this movement they have achieved one of the most commendable objects in the history of the Order.

On November 2d I sent out the following circular to all Chapters of the Order in this Grand Jurisdiction:

"DALLAS, TEXAS, NOV. 2, 1904.

"To All Chapters and Members of the Order in Texas, Greeting:

"At the near approach of Christmas, I call upon the Chapters to remember the widows and orphans at the Masonic Home in Fort Worth, who are dwelling in delightful anticipation of a joyful Christmas this year.

"As you gather your darlings around you
And tell them the 'Story of Old,'
Remember the homes that are dreary,
Remember the hearts that are cold!"

"We beg, in the name of these little ones, that each Chapter will arrange to fill a box as their customary Christmas contribution for these orphans, so that they may have a merry Christmas, and a kind remembrance of the Order of the Eastern Star.

"Kindly forward all cash donations to Mrs. Cassie C. Leonard, Grand Secretary Order of the Eastern Star, 700 Florence street, Fort Worth, before December 15th.

"Sister Leonard, with the assistance of a committee of Eastern Star sisters, will use the money to purchase such articles as could not be conveniently shipped to Fort Worth.

"Direct all shipments of boxes to Dr. Frank Rainey, Superintendent Masonic Widows' and Orphans' Home, Fort Worth, Texas.

"The express companies have been asked to grant us the usual carriage for boxes. In the event of their failure to do so, the packages must be prepaid, as the committee will have no fund for that purpose.

"With greetings and good wishes for your Chapter, I remain,
"Fraternally yours,

"AMELIA HUVELLE, Grand Matron.

"Attest:

"CASSIE C. LEONARD, Grand Secretary."

I am pleased to say that in response to my circular, the result was far beyond my expectations. The amount of cash donations, and boxes containing useful articles sent to the Home were in excess of any previous year, and I herewith desire to express my thanks to the following Chapters who so liberally contributed:

On the 27th of December, the day before the Eastern Star Christmas day at the Home, by a special invitation I attended a concert given by the children. Beautiful drills and lovely songs were given by the different boys and girls. Too much praise can not be given Dr. Rainey and his able corps of teachers for the delightful entertainment.

On the 28th every one was up bright and early in anticipation of the nice things good old Santa Claus was to bring. The ceremonies took place in the large chapel hall, and the Christmas tree, which was fairly bent with presents, occupied the center of the stage. At 3:00 P. M. Santa Claus made his appearance. I only wish that every member throughout this jurisdiction could have seen the happy and smiling faces of the children receiving their presents, as well as the widows who had not been forgotten. Some handsome furniture and pictures were also bought to furnish the Old Woman's Hall. It was a day to be long remembered, and all present departed with a feeling of gratitude toward the Order of the Eastern Star for the good they had accomplished on this day.

COMMENCEMENT EXERCISES AT THE HOME.

On June 29th, at 3:00 P. M., I attended the graduating exercises at the Masonic Widows' and Orphans' Home at Fort Worth. The Board of Directors, Grand Master Campbell of the Grand Lodge A. F. and A. M., and a large crowd of visitors were present. The graduates' program comprised the salutatory, by Miss Herndon, and valedictory by Miss O'Neil, and choice musical selections. The diplomas were delivered by Brother Mott of Galveston. The two graduates wore beautiful dresses, presented by the members of the Order of the Eastern Star who have taken a special interest in their welfare.

Keystone Chapter No. 9 remembered the two graduates with beautiful flowers. Lovely drills and marches were then given by the younger class. I am pleased to say that the two graduates upon leaving the Home have homes with distant relatives.

I had the pleasure again of being the guest of the Home, in company with quite a crowd of present and Past Grand officers. My thanks are due Dr. and Mrs. Rainey for their kind hospitality.

On September 27th, having a balance of \$78.38 of the Christmas collection for the Masonic Home, I requested the purchasing committee, Sister Leonard, Grand Secretary, Past Grand Matron Sister Essex, and myself by Dr. Rainey, Superintendent of the Home, to disburse the same for whatever necessary purchases that would be most beneficial.

I am pleased to report that the committee, being specially familiar with the needs of the Home, have used good judgment in their selection, and have disposed of the balance on hand to the best of advantage.

The following statement is the final report of the disbursement of the Christmas funds:

GOOD OF THE ORDER.

The general interest shown in the endeavor to do better work in the Chapters throughout this jurisdiction is very gratifying, and is fully demonstrated by the extraordinary sale of rituals during this year. That which is more needed in our Chapters is a more perfect rendering of the ritual, also a more careful study of the By-laws of the Order, for what is worth doing at all is worth doing well. I am happy to report that in this respect we are making satisfactory progress.

I also bring a record of peace and harmony prevailing. This is certainly due to the application of the principles of our Order. A few exceptions lead me to mention that practically all of the troubles experienced in some of the local Chapters spring from two sources:

1st—The election of officers.

2d—The rejection of petitions for membership.

The election of officers too often results in the disappointment of some aspiring member. To occupy the station faithfully and efficiently is worthy of the ambition of any of our members, but no one has a right to complain if not promoted, as the offices are the gift of the members of the Chapters.

The misuse of the ballot is another serious question; the blackball is too often unjustly used, thereby causing a great deal of ill feeling. I regret to say that in some few Chapters it is the means to redress personal grievances, real or fancied, and the Chapter struggles along, supported by a faithful few, while the spirit of rule or ruin possesses a certain fraction. The ballot rightly used is a blessing; the ballot misused is a bane, a menace to our peace and prosperity. You can not subject a member to an inquisition as to how he votes in any case, but you can contribute to such a standard of conduct as to make it an occasion of shame for any one acting under personal prejudice in the use of the black ball.

I would admonish all members of the Order to practice more caution and secrecy in balloting. Leave outside of the Chapter room all feelings of jealousy and hatred, thereby assuring the prosperity of your Chapter, where otherwise it would be a failure.

CONCLUSION.

The record of my year's work is before you. Whatever I have done during my stewardship in my official acts, has been done with honest convictions, and with an earnest desire to advance the interest of our Order.

I am pleased to-day to look into the faces of so many who have helped to make my year one of pleasure and profit. As I submit this record of the year's work for your criticisms or approval, I have one proud satisfaction, and that is, that every duty has been discharged to the best of my ability. During this year I have given up all of my time to the Order of the Eastern Star, and have endeavored to promote its welfare. The ad-

dition of fifty-two new stars to our constellation, of which I have organized fourteen myself, and having officially visited eighty Chapters, has not been without some labor. The correspondence of this office has kept pace with the increase in Chapters and members. I have written 1764 letters, traveled 4802 miles by rail, and 400 miles in private conveyances and mail coaches. While sometimes I became discouraged and disheartened, yet the many kind words and loving acts of the members have spurred me on to work that much harder, that I would, as Ruth, bring in some sheaves to show to you, sisters and brothers, how much I appreciated the honor you bestowed upon me one year ago.

My relations with the Grand officers have been of the most pleasant character, and whatever success we have attained is the result of the united efforts of officers and members.

I desire to extend to our Grand Patron, Brother Canon, my sincere appreciation for his support and wise counsel. The Grand Chapter made no mistake in selecting him for this high position.

To the Grand Secretary, words are inadequate to express my thanks. She has been ever ready to help, and always prompt. She has deemed no labor too great to promote the welfare of our Order; ably and well has she performed the duties of her office.

To Past Grand Matron, Sister Garrison, and Past Grand Patron, Brother Garrison, I owe a debt of gratitude. Many times in trying moments have they helped me cross the rough and rugged paths.

To those Deputies who so efficiently aided me, I offer my thanks, more especially to Sister Fannie V. Ward, who has so nobly responded to all my wishes, and alone has organized nine Chapters, besides taking care of all the Chapters on the Texas Pacific Railroad without expense to the Chapter.

To Sister Rimmer, I also owe many thanks.

I cannot close without a word to the members of my own Chapter, Dallas No. 1. Many kind expressions of interest and love have helped to smooth the rough places and made the cold side of steep inclines more easy to ascend. My sisters and brothers of Dallas No. 1 "live close to the noblest ideals," and they have proven that the little deeds of kindness make life one long, sweet song.

Very soon the honors which I now bear will be assumed by another, and I trust she will find the same joyous welcome, the same harmony among the members that I have found. May the Star of Light from above lighten her path, and guide her through a successful year.

Sisters and brothers, my work is done. The time has come for me to stand under the gavel, the emblem of authority; and as I am about to retire from office, I wish to express once more my heartfelt thanks to the members of the Order for the many courtesies and acts of kindness you have extended to me during my term of administration.

Faternally submitted,

AMELIA HUVELLE,

Grand Matron.

Referred to Committee on Distribution.

Past Grand Patron, Brother L. S. Garrison, in behalf of the Grand Chapter presented the Grand Matron, Sister Huvelle, with a beautiful Grand Matron's Jewel.

The Grand Chapter was then treated to the following address by E. C. Canon, Grand Patron:

ADDRESS OF GRAND PATRON.

To the Grand Matron, Officers and Members of the Grand Chapter, Order of the Eastern Star of Texas;

We are come, now, to the accounting of our stewardship, to the reckoning with you for the trust committed to our care one year ago. The end of the year recounts to our minds the successes and pleasures, the failures and disappointments of the twelve months so swiftly passed. From the report of the Grand Matron and her work so full and replete with successes, we are made to realize that this is truly the Golden October harvest time when we are met to enjoy the fruition of the hope cherished in the past for successful achievement and an administration of the affairs of this Grand Chapter which would credit the pages of its reports and lend a measure of confidence to its future. We are met to recount our experiences and give account of our official acts touching the welfare and government of the Order, and to consult and advise with each other on measures looking to a continuance of that prosperity which now attends us.

Upon being elected Grand Patron one year ago, I had to say to you that I was humbled at your feet, a thankful and grateful servant, whose aim should ever be to so conduct myself and the affairs entrusted to my care in such a manner as that I should have the consciousness within of duty well done—to the end that I should hand back to you this exalted office untarnished by misrule or arbitrary conduct. It is in the spirit of this declaration that I beg to hand you herewith this my report as your Grand Patron for the year now closed.

Realizing as I did the added responsibilities and duties of the Grand Patron, occasioned by the adoption of the new Constitution and laws of the Order last year, making it his duty to pass upon legal questions, discipline, etc., I entered into the work with the hope that by careful preparation and study I might be enabled to advise the Grand Matron properly and to the best interest of the Order on such questions and matters about which she might ask my advice and assistance, and to properly construe the laws of our Order for the guidance of the subordinate Chapters under our new Constitution, as that there might be eliminated any confusion as to their proper construction; therefore, to that part of this report touching our laws, I invite your careful and thoughtful consideration.

At this time I must acknowledge the many marks of honor and respect shown me by members of the Order in this State and in other States during the year, evidenced by a great number of invitations to attend special meetings of Chapters, and by many personal letters. The great majority of which meetings to which I was invited I was not so fortunate as to be able to attend, but I am certain those who extended such cordial invitations know of my appreciation and will accept my gratitude and fraternal greeting.

I also, in this connection wish to say that early in the year I was honored with a commission from the Grand Matron of the Grand Chapter of Arkansas as the Representative of that Grand Chapter to the Grand Chapter of Texas, which I acknowledged, expressing the assurance that both myself and all the Grand officers of Texas would be at all times glad to exchange ideas and promote social intercourse between the two sister Grand Chapters.

My correspondence has been quite voluminous during the year and I have written a great many letters of more or less importance, but with a recital of the most of which I deem it unnecessary to burden this report; but in some instances I present my full replies to queries submitted because of the questions raised and passed upon, the questions in each instance being repeated in my letters, making it unnecessary to quote the letter of inquiry also.

E. C. CANON,
GRAND PATRON, 1904-1905.

WORLD'S FAIR FRATERNAL FUND.

On March 2, 1905, in response to a letter from the Grand Matron anent the disposition of the 20 per cent left on hand of the St. Louis Exposition Fraternal Fund, I wrote her that in my judgment about all that we could do for the Lewis-Clark Exposition (the Executive Board of the Order having asked us for contributions for this exposition), was to agree that said Executive Board should use our pro rata share of 20 per cent left on hand as our contribution to this cause. I also had to say that I did not think it right to ask the subordinate Chapters to contribute to this fund; that it would be a demand they would think unnecessary; but that in my judgment this Grand Chapter would approve her action in instructing the use of this balance in that way.

DUPLICATE CHARTERS.

On May 29, 1905, I signed a duplicate charter for Miami Chapter forwarded to me by the Grand Matron, which after endorsing and signing I forwarded to Miami Chapter, their charter having been destroyed by fire.

On July 31, 1905, I signed a duplicate charter for Burke Chapter No. 199, at Burke, Angelina County, which the Grand Matron had issued to this Chapter on account of loss of their charter by fire, and forwarded same to Burke Chapter.

OFFICIAL CIRCULAR NO. 1, FROM OFFICE OF M. W. GRAND MATRON, AND CORRESPONDENCE RELATIVE THERETO, AND CIRCULAR LETTER FROM GRAND OFFICERS OF TEXAS.

Early in this year I received from the office of the M. W. Grand Matron of the General Grand Chapter "Official Circular No. 1," about which I have had some correspondence which I deem proper to state, as follows:

AUSTIN, JULY 26, 1905.

Mrs. AMELIA HUYELLE, *Grand Matron O. E. S., Dallas, Texas.*

"DEAR SISTER HUYELLE—I suppose you received some time ago 'Official Circular No. 1' from the office of the M. W. Grand Matron, Mrs. Madeleine B. Conkling, in which she enumerates three powers with which the General Grand Chapter is clothed and over which it has complete control, viz: Control of Ritual, Qualification of Membership, and the Landmarks of the Order; and in which circular letter she calls the attention of the Grand officers of the respective Grand Chapters attention to several errors which have crept into the ritual, some in one Grand Jurisdiction and some, of course, in others. If you received this circular and noted what the M. W. Grand Matron had to say therein, you doubtless noticed that in our jurisdiction we are accustomed to do some of those things which run counter to her rulings, to wit:

"First—The collection of a pass from the members at the opening of a Chapter. On page 58 of our Constitution and laws, Grand Matron Alvord, in 1899, ruled that 'any one of the degree passes may be used in opening a Chapter in place of the cabbalistic word, thereby indicating, of course, that to use either would be correct. Now, what do you think of this? We are bound to follow the ritual of the General Grand Chapter, and in that ritual I do not find the authority for Grand Matron Alvord's ruling. I take it that this practice grew in this jurisdiction because of the language of the ritual, page 17, 'ascertain and report if all present members of the Order,' using the taking of a pass as a means of ascertaining that fact. I am of the opinion, and was before I had seen this circular, that the proper way to do is to be able to vouch for all present, by having sat in Chapter with them, or let the visiting member

for whom no one might be able to vouch he examined by a committee and then admitted, and to dispense with the taking up of a pass at all.

"Second—The use of the square and compass upon the altar is discredited and the practice condemned, for reasons as stated by her. On page 57 of our laws you will find that Grand Matron Young, in 1901, states that these instruments should be placed upon the Bible for the reason that it is the badge of the Worthy Patron. Now, of course, the 'five-pointed star with square and compasses in the center' is the badge of the Worthy Patron, which is worn by him when at his station, but not the Masonic implements which are used by the Masonic Lodge. However, I do not think that it is worth while to disturb this practice either one way or the other, unless it might be that to 'borrow too much plumage' might work to our gradual disadvantage. But it would be a practice very easily discarded in this jurisdiction, for the reason not very much stress is put on it anyway. What do you think about it?"

"Third—Landmark No. 8 is especially spoken of as being sometime violated; but this I think is almost uniformly regarded in our State.

"The General Grand officers seek to promulgate some orders with reference to New York and New Jersey, which are included in this letter, to which I call your attention.

"It seems that in some of the States this Circular Letter No. 1 has created quite an interest in some particulars.

"Trusting it will not burden you too much to go into these matters with me, I remain,

"Fraternally yours,
"E. C. CANON, Grand Patron."

The Circular Letter No. 1, above referred to was discussed at some length by Grand Matron Huvelle and myself, and her recommendations regarding same, if any, are of course in her report. This Circular Letter No. 1 is referred to by the Grand Matron, in a letter to me of date August 22, 1905, as follows: "I found along my route that it was creating dissension in a good many Chapters, some deeming it law, and wishing to do away with the square and compasses, others contending to the contrary. I think it is time to set the Chapters right in this matter," and in this communication the Grand Matron asked me to prepare an article to be published in the *Texas Freemason* touching upon the supremacy of the laws of this jurisdiction, etc., which I did, as follows:

"To the Chapters and Members of the Order of the Eastern Star in Texas:

"By reason of Circular Letter No. 1, sent out from the office of the Most Worthy Grand Matron, and a communication from Most Worthy Grand Patron, Brother Kuhn, in a recent issue of the *Texas Freemason* there has arisen quite a great deal of confusion in different parts of the State relative to the construction to be given by local Chapters to these communications in as far as they may affect the rules of government and usages and practices of the Order in this State. Because of this confusion and uncertainty among many Chapters, it is thought advisable to say to all members of the Order in Texas, and to all local Chapters in this Grand Jurisdiction, that the Grand Chapter of Texas is supreme in all its affairs, and the government of the Order in this State is solely dependent upon it, and none other. The Constitution and By-laws, rules and regulations, of this Grand Chapter constitute the laws by which we are governed, and no Chapter nor individual member has any right nor power to make any change in our established practices as laid down in our laws and regulations and as promulgated by our Grand officers until such change or variance is authorized by the Grand Chapter through its proper officers."

DECISIONS.

1. *Divorce and Re-marriage.*—In response to a letter from Worthy Patron of Bright Star Chapter No. 65 at Longview, I gave the following

"The case in point, as you state is as follows: 'A lady member of your Chapter was divorced from her husband, and the Court restored her maiden name. Six weeks afterwards she was again married, to a man who is not a Mason. She has her dues paid, is in good standing, and wants to remain in good standing.' You ask my ruling as to her status, and how you shall proceed?"

"First—The lady in question was initiated and received the degrees at the time, and during the time she was a Master Mason's wife, and was because of that fact eligible. Her subsequent divorce from her husband does not vitiate her obligation nor sever her membership in the Order. She is still a member and can remain a member in good standing so long as she pays her dues and is not expelled or suspended for some other reason than the mere fact of having been divorced from her former husband.

"Second—You also state that her first husband has since married, and that his second wife wants to apply for the degrees. Now, of course, if the man is a Mason in good standing, his second wife is entitled to the degrees, if acceptable to the Chapter to which she applies. Her reception would be a matter for the Chapter to pass on by ballot should she apply.

2. *Jurisdiction; New Ballot Ordered When.*—A brother and his wife petitioned Red Rose Chapter No. 104, and were elected to receive the degrees, in February, 1904, but they did not appear to be initiated until June 15, 1905: "Should a new application be required or a new ballot be had?" The principle as contained in Article 441 of Masonic laws obtains in our Chapter, and in such a case, where the candidate fails to receive the degrees within twelve months after being elected, when the applicant does apply to receive the degrees, a new ballot should be ordered. This, however, should not be confused with the doctrine and principle of "Perpetual Jurisdiction"; i. e., where a candidate is elected by a Chapter, the Chapter so rejecting such candidate retains perpetual jurisdiction over him until waived. Nor should this rule be confused with the law of the Order of the Eastern Star which says that, when a candidate is elected to receive the degrees and moves out of the jurisdiction of the Chapter so electing him, such Chapter retains absolute jurisdiction over such candidate for twelve months and no longer. You will readily see the distinctions.

3. *Time limit to Charter Member's Initiation; Disposition of Fees Paid.*—Mrs. B. signed the petition for dispensation to organize a Chapter at Chillicothe and paid her part of the charter fees, \$1.50. When the Chapter was organized and set to work, she had no legal proof that she was entitled to receive the degrees, consequently was not allowed to be initiated. The Chapter was organized in March, 1904. In July, 1905, she succeeded in getting and presented "legal proof," and asked to be initiated as a charter member. You ask if this can be done? And if not, can the \$1.50 originally paid by Mrs. B. be credited to her as a part payment of her regular initiation fee; and, you further ask whether you will have to charge her the regular initiation fee? After twelve months elapsed from date of organizing the Chapter, any person, whose name appears on the petition for dispensation as a charter member and who has not been obligated or initiated, has by such lapse of time been barred from taking advantage of such charter membership, and would have to petition the Chapter as would any other candidate. As to the fee, you all of course, have to charge her the same as any other, that is the regular fee. However, she having assisted those of you who were enabled to be obligated at the time of organizing the Chapter to pay for the dispensation, supplies, etc., by her \$1.50, it would be but right and proper, since she has been in good faith all the time in trying to become a member, for the Chapter to refund to her the \$1.50, and let her in this way not have the double burden of paying a charter fee and initiation fee also.

4. *Installing Officer.*—Query from Red Rose Chapter No. 104: "Can a Chapter vote for the Past Worthy Matron to install the officers for the ensuing year, or should the outgoing Matron install?" It would be perfectly legal and proper for either a Past Matron or the outgoing Matron of the Chapter to install the new officers. There should be no preference by reason of seniority of service and membership, but the convenience and pleasure of the officers selected or proposed and the wish of the Chapter should govern you in this matter.

5. *On Supremacy of our Laws as regards Subordinate Chapters.*—On August 19, 1905, I had occasion to write the following in answer to a communication from Harmony Chapter No. 244 at El Paso, which you will notice has considerable bearing on the subject above discussed under the head of "Circular Letter No. 1." My reply being: "From your letter I gather that one or more of your members are insisting on changing the rules and regulations of your Chapter to conform to the expressions as sent out from the Most Worthy Grand Matron's office, rather than to conform to the By-laws and Constitution of our Grand Chapter and the rulings given by our Grand Matrons in the government of the Order in this State. * * * I will state the following as a broad and certain proposition, to wit: This Grand Jurisdiction is supreme in all its affairs, and the Chapters in this jurisdiction, and the individual members of the Order, are subject only to the By-laws and Constitution, rules and regulations of this Grand Chapter and none other, and must conform to such by-laws, rules and regulations and the interpretations given thereto by the Grand officers. The matter of our conforming or not conforming to any edict or suggestion rule or regulation, of the General Grand Chapter is a matter for the Grand Chapter to remedy, if need be, and until such change is authorized by the Grand Chapter through its proper officers, no subordinate Chapter nor individual member has any authority to make any variance from our usual regulations."

6. *Attempted Exposure of the Ballot, Insubordination, Circulating Petition among Members Unlawfully.*—On June 6, 1905, the Worthy Patron of Oak Grove Chapter No. 205 at Plantersville addressed to me a letter setting forth a statement of facts upon which he asked my advice, which matters and acts so set forth herein I consider of very great importance on the question of insubordination, improper petition and misconduct, and which facts are set forth fully in the following correspondence:

"AUSTIN, TEXAS, June 10, 1905.

"MR. T. J. TUCKER, Worthy Patron Oak Grove Chapter No. 205, O. E. S. Plantersville, Texas.

"DEAR SIR AND BROTHER—Your letter to me of date June 6th reached me on yesterday, having been forwarded to me from Waco. In your letter you relate conditions upon which you ask me to advise you as follows:

"1. At your last regular meeting an applicant for the degrees, being a Master Mason and husband of one of your members, was rejected, his petition, Committee report thereon and ballot all being regular.

"2. On the 5th day of June, 1905, after such rejection, the wife of the rejected petitioner, together with another sister, a member of your Chapter, circulated a petition and induced certain members to sign same, asking that an investigation be had of said rejection, which petition set forth the allegation that the rejection of the candidate was on personal grounds, and that the character of the applicant, and of his wife also, was greatly injured by such rejection, and also contained other strong language.

"3. You also say that the Worthy Matron and Worthy Patron, when advised of said petition, admonished the sister, wife of rejected

applicant, that such action in circulating such petition was wrong and a violation of the principles of our Order, but that, notwithstanding your advice and protest of such action, the said sister remarked that she would go ahead and 'if she was expelled she did not give a continental.'

"Now, relative to such conduct on the part of a member of the Order, I wish to say that the facts and conditions as above stated constitute gross misconduct on the part of such member. Her attempt to expose the ballot should meet with the disapproval and censure of your Chapter as being a direct and intentional infringement and violation of the laws of the Order. And her persistence in doing this wrong thing after she was told by the officers of the Chapter that it was wrong, and as shown the law itself, shows a spirit of insubordination which can not be tolerated. To sum up the situation, there is not yet an actual disclosure of the ballot, so that that charge can not be brought; but only an insubordination and wilful violation of the laws of the Order relating to the secrecy of the ballot, which, if permitted to exist in a Chapter, would work its utter destruction.

"The members of your Chapter who signed the petition asking for an investigation of said rejection also erred in joining in such action. They, however, I am persuaded, were not fully advised as to the extent of the wrong they were doing. However, as to them, I would advise you that you advise them in open Chapter of the evil effects of any attempt to expose the ballot, and admonish them never to be guilty of even encouraging such an attempt by word or act. From your letter I can not gather whether the sister who went with and assisted the wife of the rejected applicant in getting up the petition was equally guilty with her in the matter or not, and will leave her case with you and the Chapter to determine.

"As to the sister complained of, the wife of the rejected candidate, I advise that you proceed to reprimand her in open Chapter at a regular meeting for her unbecoming conduct as a member of the Order, in that she willfully and knowingly violated the laws and regulations of the Order in attempting to inquire into the ballot had upon the application of her husband, and did so knowing it was a violation. In this connection I further advise that her conduct, as set forth in paragraphs one, two and three above, was such as that the Chapter would be justified in expelling her from the Order or suspending her, as in your judgment, or rather the judgment of the Chapter, may seem best and sufficient; and, in the event she persists in being obstinate in her course, she will not be subservient to the rules and laws of the Order, and will not be governed by the advise of the officers of the Chapter, and you consider a reprimand as first above suggested is not sufficient, then, in that case, it would be your duty to prefer charges against said member in proper form, and either expel or suspend her from your Chapter. * * *

"I sent a carbon copy of the above letter on the same day to the Grand Matron, and she on the next day, June 11th, forwarded to me the letter and petition of the sister above referred to, which she had just received, addressed to her as Grand Matron, asking that she cause an investigation of such ballot and rejection to be had, requesting that I attend to the matter, stating that she concurred in my statements made in copy of letter I had sent her. The petition and letter set forth substantially the same allegations as are enumerated above in my letter to the Worthy Patron, and need not be again repeated. I then wrote the following letter to the sister in question, in response to her letter and petition:

"AUSTIN, June 14, 1905.

"Your letter, dated June 6, 1905, together with a petition signed by yourself and several members of Oak Grove Chapter No. 205, O. E. S.,

addressed to the Grand Matron, Sister Amelia Huvelle, has been by her referred to me for reply and consideration.

"In the first place, I will have to say that the object sought by the petition, that is, to have an investigation of the ballot and the reasons for the rejection of the candidate by some one or more of your members exposed and the reasons for such objection to the candidate made public, is one that can not be entertained. The divulging the name of a rejected candidate is an offense punishable by expulsion from the Order; and the secrecy of the ballot is one of the cardinal principles of the Order that can not at any time, nor for any reason, be infringed upon. To cause an investigation of a secret ballot taken in open Chapter and expose the member who cast it, would be a most flagrant violation of this law. Therefore, in reply to your letter, and said petition, I must say that it is improper and must decline to consider same."

I then advised the sister of the advice I had given the Worthy Patron of her Chapter on the subject, and admonished her to go before the Chapter in regular meeting and make amends for her action and conduct.

I afterwards had several other letters in regard to this matter from the Worthy Patron, and on July 3, 1905, I had a letter from him to the effect that nearly all of the members who signed the petition with the sister in question had come before the Chapter in person and, by written statement, acknowledging their mistake and wrong, disavowing any intentional wrongdoing, were very promptly excused by the Chapter for their action in the premises, and the Worthy Patron stated that the matter he felt would be fully adjusted within a very short while. But, as to whether the sister complained of has made amends for her conduct and is in good standing or not in Oak Grove Chapter, I have not been able to learn; and therefore, I would ask the committee to whom this matter may be referred to inquire into this feature of the case of the representative of Oak Grove Chapter, if in attendance at the Grand Chapter, and make such recommendations thereabout as may seem proper.

I have answered many other questions relating to the laws of the Order during the year, most of which were fundamental and primary, and could be answered by direct reference to the laws, so that I deem it not advisable to further burden this report with those matters.

RECOMMENDATIONS.

On page 45 of our Constitution and By-laws the following paragraph introductory to Revised Decisions of Grand Officers, is found:

"The following decisions of Grand Officers be, and they are hereby made a part of this Constitution, and shall be known as Section 22 of Article 1 of Rules and Regulations for the government of Subordinate Chapters."

The above paragraph appears as a resolution, which, upon the adoption of this present Constitution, was adopted and made, as is therein stated, the decisions of the Grand officers a part of the *Constitution* and designated them, as a whole, as a particular section of an "Article of the Rules and Regulations." Now, in my judgment, the insertion of this preliminary resolution above quoted into this Constitution and By-laws of the Grand Chapter is a mistake, and one which gives unwarranted force and effect to such decisions and interpretations of the law by such Grand officers, and should be, in my judgment, by this Grand Chapter eliminated. The decisions of the Grand officers of this Grand Chapter are of full force and are binding as between the parties affected thereby until such ruling or decision, or opinion, is reversed by the Grand Chapter. And any Chapter or member has the right to appeal from such decisions, opinions or rulings to the Grand Chapter. There-

fore it would not seem that any such decision should be given that might have the force of having been, by reason of its being made by a Grand officer, as it were read into the Constitution itself, to amend which requires the greater difficulty of affecting such amendment than a simple reversal in the Grand Chapter session. And, further, the decisions following such preliminary paragraph were made under former conditions and were made under a former Constitution, and I doubt very seriously if this Grand Chapter really intended to make such decisions as so laid down, and as made under a former Constitution, a part and parcel of this present Constitution; but I rather believe the same to have crept into this Constitution, as it is arranged and placed inadvertently and without the proper thought as to its effect. I, therefore, submit for your consideration my suggestion that this Grand Chapter consider this matter, and I recommend that by suitable resolution and procedure our Constitution and By-laws be amended so as to eliminate this paragraph above quoted.

I wish to state that my relations with the Grand Matron and with her deputies have been most cordial, indeed. This Grand Chapter, I am sure, fully appreciates the great amount of labor and work and the splendid report resultant therefrom of Grand Matron, Sister Amelia Huvelle. Her deputies throughout the State have done splendid service and especially have some of them excelled in zeal, and assisted very materially in gleanng the sheaves for the Grand Matron's splendid report. In this connection I wish to make especial mention of Sister Jennie Rimmer, of San Saba, Grand Esther and Deputy Grand Matron, who by her tireless zeal and efforts only a few days since was enabled to report the organization of Austin Chapter at Austin. It, to me, was a very befitting close of the year's work, for it was a source of satisfaction to me to see a Chapter organized at Austin. It was my pleasure to be with her and assist her in this work, and I am gratified to say that Austin is now wide-awake in Eastern Star work.

It is very natural and commendable for the officers of the Grand Chapter to be anxious and strive to institute many new Chapters during their respective terms of office. However, it is my judgment that it is vastly more important in this Grand Jurisdiction now, that the Chapters over the State already at work should be fostered, and the principles of the Order more fully and more frequently explained and promulgated, and proper light disseminated, than that we should strive to very materially increase the number of our subordinate Chapters.

The memory of my pleasant associations with the officers and members of this Grand Chapter will ever be a priceless heritage to me, and in the future, as we go along, I shall consider it a privilege to work for the upbuilding of our Order with a riper experience and better judgment, and shall always consider myself prepaid by the many courtesies and kindly attentions received during my past terms of office.

Fraternally submitted,

E. C. CANON,

Grand Patron.

Referred to Committee on Distribution.

Sister Cumie Brooks, Worthy Matron, in behalf of W. E. Owens Chapter No. 7, presented the Grand Patron, Brother E. C. Canon, with an elegant gold watch and fob.

The Grand Chapter was then called off until 8:00 o'clock

*Fifty Rituals do not appear in the preceding statement, the order for same not having been filled until after the convening of the Grand Chapter, 1904. Three were furnished to Indian Creek Chapter, balance due them.

The following Chapters have not paid dues for two years and are, therefore, placed on the delinquent list: Greenwood No. 12, Italy No. 73 and Mt. Zion No. 79.

My associations with the Grand Matron and other Grand officers and members of the Grand Chapter have been very pleasant and harmonious.

I have endeavored to do my duty, and trust that my year's work will meet with the approval of the Grand Chapter.

Fraternally yours

CASSIE C. LEONARD,
Grand Secretary.

Referred to Finance Committee.

The Grand Treasurer, Mrs. Laura F. Seaman, then submitted her report for the year to the Grand Chapter as follows:

REPORT OF COMMITTEE ON GRIEVANCES AND APPEALS

To the Officers and Members of the Grand Chapter O. E. S. of Texas:

We, your Committee on Grievances and Appeals, beg to submit the following report:

In the case of Bonita Chapter No. 184 versus Julia Frisbie, we find the accused was convicted upon insufficient testimony, the evidence being wholly hearsay; second, the transcript does not show that legal notice of the meeting at which the accused was convicted was served upon either the accused, her defendant or the prosecutor; third, we find that the membership of Bonita Chapter is 72, and at this meeting there

were only 12 present, and one-sixth of the membership of any body can not be considered a fair representation of that body. We, therefore, recommend that the verdict be set aside, and the accused be granted a new trial.

KATE M. BRYAN,
MINNIE E. SMITH,
M. T. BELL.

Adopted.

Invitations were received from Tarrant and Keystone Chapters, the Board of Trade and the Mayor of Fort Worth for the Grand Chapter to meet in that city in 1906; also from W. E. Owens Chapter No. 7 of Waco, and Harmony Chapter No. 244 of El Paso.

The Trustees' report was read and referred to the Finance Committee.

Ordered that the Assistant Grand Secretary be paid \$10.00 for services rendered, and a warrant for same be drawn.

The roll was then called and the Representatives were instructed that they must be present, answer to roll call and help in the work, otherwise they would not receive mileage.

The Grand Warder announced that there was a visitor for admission, and the Grand Matron appointed Sisters Essex and Smith and Brother Walker to examine the visitor. After examination, the committee introduced Sister Ross, Past Grand Chaplain and Past Grand Warder of the Grand Jurisdiction of Minnesota, who was welcomed by our Grand Matron, and invited to a seat in the East.

The Grand Matron stated the next order of business to be the election of officers for the ensuing year. Past Grand Patrons

The Grand Chapter suspended business and Dr. Rainey, Superintendent of the Masonic Widows' and Orphans' Home of Fort Worth announced that some of the orphans were in attendance and some exercises would be given by them. Eight little girls in white and pink costumes gave a dumb-bell drill. The second exercise was an Indian club drill, given by eight little girls dressed in their uniform. The third was a pantomime and drill given by sixteen girls. We were then favored with a solo, "What the Brass Band Played," by Master Willie Anderson, the encore was "Camping on the Old Suwanee River." The drills and music were very much appreciated by the audience and Dr. Rainey assured those present that they would always receive a hearty welcome at the Home. He then presented two gavels that were made by the boys, one of said gavels being presented to Sister Amelie Huvelle, Grand Matron, the other to the Grand Chapter.

Sister Huvelle thanked Dr. Rainey on behalf of the Grand Chapter, for the token, and assured him she appreciated the gavel presented her, and would ever remember the Home on Christmas.

The teachers and children were then invited to the banquet room and entertained by Dallas Chapter No. 1.

Business was then resumed.

REPORT OF COMMITTEE ON JURISPRUDENCE.

In the Grand Matron, Grand Patron, Officers and Members of Grand Chapter O. E. S.:

We, your Committee on Jurisprudence, to whom was referred certain portions of Grand Matron's Address, beg to report as follows:

We approve decisions Nos. 1, 3, 4, 5, 6, 7, 8, 9, 10, 12, 13, 14 and 15.

Concerning decision No. 2, we submit the following: The action was legal, provided the meeting at which the time was waived was a regular meeting, the question put to a vote of the Chapter, and received their unanimous approval.

Concerning decision No. 11, we submit the following: We would recommend that this shall be left to the discretion of the presiding officer after the obligation is administered, but, where possible, every candidate shall be initiated in full.

We endorse the stand taken by the Grand Matron in her reply to circular letter No. 1 from the General Grand Chapter, that the Grand Chapter of Texas is supreme in all its affairs, and the subordinate Chapters in this Grand Jurisdiction are answerable only to it.

We approve all the recommendations made by the Grand Matron, except the last one, which we beg to refer to Committee on Work.

Fraternally submitted,

AMELIA A. GARRISON,
ALMA M. WALKER,
P. S. PARK.

Adopted.

REPORT No. 2 OF COMMITTEE ON WORK.

We, your Committee on Work, recommend the adoption of that part of the Grand Matron's report referring to an introductory clause to the Obligation, to wit: You will repeat after me giving your name in full, the following obligation.

REPORT No. 2 OF COMMITTEE ON BY-LAWS.

Grand Matron, Grand Patron, Officers and Members of the Grand Chapter:

We, your Committee on By-laws, beg to make this supplementary report as follows:

We recommend that Mart Chapter By-laws be so changed to read as follows: Stated meetings shall be held on Friday before the full moon at 8:00 P. M. and the second Friday thereafter.

Also, that Regina Chapter U. D. be changed from the second and fourth Thursdays to the second and fourth Mondays at 8:00 P. M.

STELLA KARNEY,
CARRIE B. LANE,
G. W. HESTER.

Adopted.

REPORT No. 2 OF JURISPRUDENCE COMMITTEE.

Grand Matron, Grand Patron, Officers and Members, Grand Chapter O. E. S.

We beg to submit our report on portions of Grand Patron's address, as follows:

We approve the decision of Grand Patron concerning opening of Chapters. All visiting members should be vouched for, or be examined and introduced by a committee.

We endorse decision of Grand Matron Young, that the square and compass should be upon the open Bible, for the reason that it is the badge worn by the Worthy Patron, and shows the intimate relationship existing between the Order of the Eastern Star and Freemasonry.

We approve all the decisions of the Grand Patron.

Concerning his recommendation relative to Article 1, Section 22, we beg to disapprove of his recommendation, believing that the publication of the decisions of Grand Matrons and Patrons was a wise move. These decisions were revised by the Committee on Constitution, and all conflicting decisions were eliminated. As an aid to interpretation of the law, they are invaluable, and we believe that later decisions should be added from time to time, as new editions of the Constitution are printed.

Respectfully submitted,

AMELIA A. GARRISON,
ALMA M. WALKER,
P. S. PARK.

We, your Committee on Unfinished Business, beg leave to report as follows:

First—Relating to the one hundred dollars donated to the Grand Chapter as a nucleus for our "charity fund" by the Grand Commandery of Texas. Inasmuch that that portion of the Finance Committee's report of 1902 with reference to this matter and which as shown by the printed proceedings of 1902 was adopted by this Grand body has never been complied with, we therefore recommend that the incoming Grand Matron place these premises as set forth by this Grand Chapter before the Grand Commandery Knights Templar of Texas at its next annual conclave, and report results at the meeting of the next Grand Chapter. And, we therefore, recommend that this one hundred dollars be returned to the Grand Commandery Knights Templar of Texas with our thanks.

Second—That in looking over the proceedings, the report of Sister Hart, on page 68 of 1902, as Secretary and Treasurer of the Galveston Relief Fund, although referred to Finance Committee, said Committee returns no report or recommendation of the same.

By request of Sister Hart we recommend that her report be referred to Finance Committee, with request that they duly report on the same.

Whereas, It is impracticable at this time for the Grand Chapter to undertake the establishment and maintenance of a home for aged Masons, therefore, be it resolved that the one hundred dollars heretofore subscribed for the Grand Chapter be returned to the Grand Commandery Knights Templar of Texas, with thanks.

J. E. FLANDERS,
AMELIA HUVELLE.

Moved and seconded that this report as amended be adopted.
Carried.

SOCIAL FEATURES.

For the entertainment of their guests, on the evening of the 10th the Worthy Matron of Dallas Chapter No. 1 with her corps of officers gave the farce, "Female Masonry a la Lease" which was greatly enjoyed. And where all were good in their several parts, it is unnecessary to particularize. Dainty ice cream, in the shape of stars, and cake were served.

The Grand Matron, Mrs. Amelia Huvelle, as a special mark of honor and esteem, was presented with the beautiful jewel, the gift of the Grand Chapter to the presiding officer; but, contrary to the usual custom, the jewel sparkled on the breast of the Grand Matron while she held the gavel, instead of being hers after the election of her successor in office. Bro. L. S. Garrison, in a most touching and gracious manner, addressed the Grand Matron, assuring her of the appreciation of the officers and members of the Grand Chapter for the stupendous work for the good of the Order in the great "Lone Star State" which she had accomplished during her term of office, and after expressing his own pleasure in being the one selected, and with the assurance of the Grand Matron of the love and esteem evinced for her by the Order at large, the beautiful jewel was handed to Sister Huvelle, and received by her with thanks and appreciation for the kind sentiments expressed by Past Grand Patron, Bro. Garrison, in the name of the officers and members of the largest and most successful meeting the Grand Chapter of Texas had ever held since its inception.

A lovely bouquet of roses was presented to Mrs. Huvelle by her friend and Worthy Matron, Sister Greenwold, as a token of affection from Dallas Chapter to their own beloved Past Matron. Their sentiments were feelingly expressed by Sister Greenwold, and the Grand Matron responded with appreciative remarks.

A lovely spoon of Mexican manufacture was presented to the Grand Matron by Sister Eliza J. Randolph, Associate Grand Matron, as a token of her esteem and affection, with words of thanks for the courtesy and consideration shown her during the year by the Grand Matron. To these kind words, Mrs. Huvelle responded, and thanked the Associate Grand Matron for the lovely gift so gracefully presented.

On the afternoon of the second day's session an exquisite bouquet of American Beauty roses, the gift of Dallas Chapter No. 1, was presented to Grand Matron Huvelle by Mrs. Lincoln, Associate Matron, with words of love. A graceful acknowledgment of the lovely flowers was given by the Grand Matron in response.

On Wednesday night, October 11th, a solid silver sauce-boat with stand, handsomely engraved, was presented to the Grand Matron by Brother J. E. Flanders, her own Past Patron. This lovely token was Dallas Chapter's gift to their own Past officer, and one who still is held as very near and dear by her own Chapter. Brother Flanders assured her that she had broken every record, and it was with the love and pride of her own Dallas No. 1 that he offered the gift for her acceptance. As soon as Bro. Flanders had finished speaking, and before Sister Huvelle could respond, the members of Dallas Chapter No. 1 arose and sang, "Blest be the tie that binds." The Grand Matron, after thanking the members of Dallas No. 1 for this gift, assured them that her love was as deep and as fervent as ever for her own dear Dallas No. 1.

Thursday night, Bro. Garrison, in the name of the Grand officers, presented Mrs. Huvelle with a lovely little silver card receiver, as a token of their admiration and esteem, who with many thanks accepted the gift, which bore on its surface "A. H., from her Grand Officers."

A handsome watch, the gift of W. E. Owens Chapter No. 7, was presented to the Grand Patron, Bro. E. C. Canon, with sentiments of affection and esteem, by Sister Cumie Brooks, and the Grand Patron was not so surprised that he could not tell the members of his Chapter how much pleasure this proof of their affection gave him, and his thanks were only exceeded by their love for him, for "he belongs to us," is the claim of W. E. Owens Chapter. A diamond pin and sleeve-links were also presented to the Grand Patron by Sister E. J. Randolph, in behalf of the ladies of the Grand Chapter, before he retired from the office of Grand Patron. The Grand Patron accepted the gift with appreciative remarks and thanks.

The Grand Secretary, Sister Leonard, was not forgotten. An elegant picture for her office, the gift of the members of the Grand Chapter, and a handsome gold clock, from her associate

Grand officers, were both presented by Past Grand Patron, Bro. P. S. Park, and to the kind and cordial assurances of the affection felt for her and so feelingly expressed by Bro. Park, Mrs. Leonard made a most grateful speech, assuring her many friends of her warm appreciation for the tokens of their love for her.

Past Most Worthy Grand Matron, Sister Laura B. Hart, presented Sister Laura F. Seaman, the efficient Grand Treasurer, with a handsome cut-glass water bottle and glasses, a token of the esteem felt for her by her many friends in the Order.

At the installation of officers, and as she took her oath of office, a fine, large lunch basket was presented (with remarks suitable to the subject) to the in-coming Grand Matron, Sister E. J. Randolph, by Past Grand Matron, Sister Kate M. Bryan. Bro. L. S. Garrison then handed the Grand Matron a book of mileage, with the best wishes for her success. The book presented was a gift from Sister Bryan to the newly-installed Grand Matron, who also received lovely flowers from her own Chapter (Abriam), and also from her friends, Sisters Baugh and Johnson.

A beautiful lace doylie was presented to the Grand Matron, a gift from her friend, Miss Johnson.

The Chapters on the line of the Texas & Pacific Railroad gave, as a token of their love and affection for their "Grand Organizer," Sister Fannie V. Ward, Associate Grand Conductress, a magnificent floral offering, exquisite in beauty and fragrance, which was received by her with thanks and sentiments of grateful feeling that they had not forgotten her efforts in their behalf.

The installing officer Bro. Garrison's rendition of the ceremony was impressive and suited to the dignity of the occasion.

FRATERNAL CORRESPONDENCE.

"Let talkers talk; stick thou to what is best;
To think of pleasing all is all a jest."

*To the Worthy Grand Matron, Officers and Members of the Grand Chapter,
Order of the Eastern Star, of Texas—Greeting:*

In trying to fill the place of your Committee on Fraternal Correspondence for the first time, I have carefully read the proceedings of thirty-three of our Sister Jurisdictions, and have culled for your perusal what seemed to me the most helpful and interesting facts. You will not all agree with me, but I beg you to throw over my seeming shortcomings the veil of Charity and her handmaiden, Forbearance.

Hoping that my successor will be more successful, I am,

Yours fraternally,

STELLA KARNEY.

SAN ANTONIO, October 2, 1905.

ALABAMA.

The fourth annual session was held in New Decatur, November 3, 1904. Grand Matron, Mrs. Elizabeth Salter, opened the meeting in due form, all but five Grand officers being in their stations. A fine address and song of welcome, a brief response and the reception of the Grand Representatives brought to a close the morning session.

The Grand Matron presents a pleasing address. Upon being elected Grand Matron for the fourth time she felt that it was no small mark of esteem, and accepted, knowing that the honor was accompanied by weighty and delicate responsibilities. She says: "I have endeavored to stand by the 'plumb line' of our approved and time-honored principles, never varying, but holding to the law. Some may have judged me harshly, some have praised, yet it is not honor I seek, but the good of our Order."

"Don't look for flaws as you go through life;
And, even when you find them,
It is wise and kind to be somewhat blind
And look for the virtues behind them;
For the cloudiest night has a tint of light
Somewhere in its shadows hiding;
It is better far to look for a star
Than the spots on the sun abiding."

She appointed twelve Grand Representatives, recommended eleven for appointment, rendered ten decisions and granted nineteen dispensations; reports the officers and members of all Chapters as working harmoniously together, peace and good-will predominating. She recommends as literature *The Eastern Star*, *Mizpah* and *Star Messenger*.

Briefly, the Worthy Grand Patron, D. J. Gibson, reports dispensations granted for three new Chapters, and success in awakening interest in one that had been inactive for more than a year. "There is more rejoicing over one sinner, who repenteth, than over ninety and nine, who need no repentance."

Grand Secretary's report shows thirty-nine Chapters; membership, 1030; gain, 53. Cash on hand, \$214.50. The faces of the Grand Matron,

Grand Patron and Grand Secretary adorn the pages of the proceedings. Mrs. Annie D. Rowley, Fraternal Correspondent, presented a brief synopsis of thirty-eight Grand Chapters, Texas among the number. Next annual—Ensley, November 2, 1905.

ARKANSAS.

The twenty-ninth annual session was held in Little Rock, November 14, 1904. Roll call showed all Grand officers present except three, and ninety Chapters represented. Mrs. Madeleine B. Conkling, Most Worthy Grand Matron, honored them by her presence, and in behalf of the Grand Matron she was presented with an emblematic bouquet of flowers. Past Grand Matron, Sister Julia M. Gill, made them feel at home in loving words of welcome. The Associate Grand Matron responded in a few well-chosen words.

The address of the Grand Matron, Mrs. Jennie A. Ellis, is an excellent one. Before giving an account of her official acts during the year, she speaks in loving remembrance of those who have crossed over the river. She rejoices that not one of the present Grand officers have been taken by the hand of death, and but one of the Past Grand officers had been called away. She was delegated the task of reorganizing some one hundred and fifty defunct and sleeping Chapters. She was successful in awakening interest in twenty of these dormant Chapters. She also reports charters of seven Chapters surrendered. That was good work for one year. You are to be congratulated. She received 400 letters, and wrote 778. Three of her five decisions were approved, made seven recommendations and ten visits.

The Worthy Grand Patron, John M. Oathout, reports dispensations granted for twelve new Chapters. He appointed ten deputies and inspected fourteen Chapters. It was his unpleasant duty to arrest the charters of three Chapters. His correspondence exceeded by far what had been anticipated. Much of it, we are told, would have been unnecessary had the members only studied the Constitution and By-laws. It is hard to understand why it is considered easier to write a letter than to "look in the book and see."

A board of five Trustees was appointed to raise funds and take charge of all matters pertaining to the erection of a Masonic and Eastern Star Home, and an additional per capita tax of 25 cents was levied to aid in the work. A committee appointed conveyed to the Grand Lodge A. F. and A. M. the willingness of the Order of the Eastern Star to give assistance, both moral and financial, towards the establishment of a Home, and we are glad to know that this action on their part was received with proper consideration and recognition, and that the Order of the Eastern Star is to have representation on the board of management of said Home, when completed.

The Grand Secretary reports that out of one hundred and forty-seven Chapters, one hundred have made returns and eighty-four have paid dues.

Grand Treasurer reports total receipts for the year, \$2037.42; disbursements, \$1365.27; balance, \$672.15.

The first pages are embellished with the portraits of the Grand Matron and Grand Patron. The volume is neatly bound and well-printed. A committee of three presents a very interesting review. Texas very kindly reviewed.

Next meeting will be held November 20 and 21, 1905, at Little Rock.

GRAND OFFICERS.

Mrs. Alice Brouse, Sheridan..... Grand Matron.
W. C. Rodgers, Nashville..... Grand Patron.
Mrs. Carrie Hempstead Riley, Masonic Temple, Little Rock,
Grand Secretary.

CALIFORNIA.

The thirty-second annual communication was held in San Francisco, October 18, 19, 20 and 21, 1904. Representatives of one hundred and sixty-four Chapters, thirteen Grand officers, forty-six Past Grand officers and fifteen District Deputies were present.

This beautiful, well-arranged and well-printed volume appears in a dress of white, with a tinted front cover and an emblematic star in the center of same. It is further adorned with splendid half-tones of the retiring Grand Matron and Grand Patron, both of which plainly indicate that the affairs of the Grand Chapter were in excellent hands.

Here the Grand Patron still presides. In this Grand Chapter they reverse the general order of things, as the Past Grand Patron calls the session to order and the address of Grand Patron is delivered first and contains much that we are accustomed to find in the Grand Matron's report. In the address of Grand Patron, Brother Geo. F. McNoble, he urges the publication of a paper within the State and says the work is so great that he found it necessary to use a clerk, and thinks that both Grand Matron and Grand Patron should be provided with such help. He was asked to decide on the "color line," and says that colored people are not eligible.

The Grand Matron appointed twenty-four Deputy Grand Matrons, installed the first corps of officers of seven Chapters (under commission from the Grand Patron). She granted thirty-five dispensations, five being to receive petitions under six months' residence, six to receive and act upon petitions the same evening, and eighteen to re-ballot, signed dispensations for seven charters. Many schools of instruction were held. Fifty-four pages of her report comprises the reports of her Deputies, which show great good accomplished.

An excellent report is given by the Grand Secretary, Mrs. Kate Willats, who has served this Grand Chapter in said capacity for twenty-two years. She tells us that one Chapter has a membership of over 500, two of over 400 and two of over 300. The greatest gain in membership during the year was made by Mission Chapter No. 155, being eighty-five members.

Chapters, 188; members, 18,666; gain, 2162.
Home Fund, \$623.55. Cash on hand, \$9295.35.

The fraternal correspondence is from the able pen of Mrs. Clara Abbott Giberson. Texas receives mention.

Next annual will be held in Los Angeles, October 17, 1905.

GRAND OFFICERS

Mrs. Paulina Wetzlar Dohrman, Stockton.... Grand Matron.
Charles Joseph Willett, Pasadena..... Grand Patron.
Mrs. Kate Josephine Willats, San Francisco.... Grand Secretary.

CONNECTICUT.

The thirty-first annual session was held in Hartford, October 12, 1904.

This little volume comes to us well composed. The attendance was fine, as all but six Chapters were represented and all but two Grand officers present; also eleven Past Grand Matrons and six Past Grand Patrons present.

Hartford being the home of the Associate Grand Matron, to her was given the honor of welcoming the members of the Grand Chapter, which was gracefully done and briefly responded to by the Associate Grand Patron.

Mrs. Elizabeth Sawtelle, Worthy Grand Matron, gives a full account of the year's work, including in her address a report of the General Grand Chapter. She visited all but four of the subordinate Chapters, reporting a good growth in membership. She had accepted an invitation to attend "Grand Master's Day" celebration at the Masonic Home, and said: "We are always glad to visit the beautiful Home, which is so dear to all our hearts, and proud of the fact that our Masonic brothers evidently considered that our presence helps to make the day more pleasant."

The Grand Patron, Brother Walter Pond, gives a brief, business-like address, and it is evident that he earnestly endeavored to merit approval. He reports three new Chapters; also rumors of others that will probably materialize in the near future. He met with forty-two subordinate Chapters and reports good, faithful work; constituted one and instituted three.

The Grand Lecturer held a school of instruction for each newly-organized Chapter, besides visiting seventeen of the older ones. He reports good, in fact in some cases almost perfect work rendered. Special instructions were given in the signs and passes. The salutation sign he found to be the most neglected.

Six hundred and sixty-seven dollars and sixty cents received for the Home.

Grand Secretary reports: Chapters, 50; membership, 4732; gain, 434. Cash, \$767.76.

A condensed report of thirty-nine Grand Chapters is given by the Grand Secretary for which she receives \$25. Texas receives nearly a page.

The next annual session will be held in New Haven, October 11, 1905.

GRAND OFFICERS.

Mrs. Mary J. Dilloway, 89 Lafayette Street, Hartford,
Grand Matron.
Milton C. Isbell, Ansonia, Grand Patron.
A. E. L. Stebbins, 523 Winthrop Street, New Haven,
Grand Secretary.

FLORIDA.

The first annual session was held in Tampa, May 4, 1905, and was called to order by the Grand Matron, Sister Alice E. Robbins, and was opened in due form. After the opening ceremony the guest of honor, the M. W. Grand Matron of the General Grand Chapter, Mrs. Madeleine B. Conkling, was escorted to the East, and given the Grand Honors.

The address of welcome was given by Mrs. Bertha Glogowski, of Evergreen Chapter, and was responded to by Brother Robt. H. Padgett, Associate Grand Patron, with a few appropriate remarks. Then followed the address of the Grand Matron. She reports the golden chain of their Grand Chapter unbroken, but sorrowfully remembers that hearts of some are saddened by the absence of those near and dear to them. Among the names is that of Evan Edward (Teddy) Hart, the little son of our own dear Sister Hart.

"We do not know how deep a shade,
That little grave in their home has made."

Committee on Correspondence reviews twenty-nine States, Texas among them. The present membership is 518.

Next annual to meet in St. Augustine the first week in May, 1906.

GRAND OFFICERS.

Alice E. Robbins, Grand Matron.
Robt. H. Padgett, Grand Patron.
Cora Dittmar, Fort Pierce, Grand Secretary.

IDAHO.

The third annual session was held at Hailey, June 13, 14 and 15, 1905. Only seven Grand officers present, one Past Grand officer and representatives from sixteen subordinate Chapters.

The address of welcome was delivered by the Worthy Matron of the local Chapter and responded to by the Grand Conductress.

The Grand Matron, Sister Anna Dolbeer, presents a pleasing report. She appointed three Special Deputies, visited fifteen Chapters, granted six dispensations, made fourteen decisions and three recommendations. She wrote six hundred letters and reports four new Chapters.

Membership December 31, 1904, 1280.

Sister Elizata G. Crane presents a brief review of thirty-six Grand Chapters, Texas among the number.

Next annual, Boise, June, 1906.

GRAND OFFICERS.

Mrs. Susie A. Needham, Grand Matron.
J. W. Robinson, Grand Patron.
Miss Helen Coston, Grand Secretary.

ILLINOIS.

The thirtieth annual session was held in Chicago, October 4, 5 and 6, 1904.

A pleasing introduction to this attractive volume is a picture of the Eastern Star and Masonic Home, situated at Macon. We are also permitted to see the faces of four "Pioneers of the Order." The portraits of the Grand Matron and Grand Patron of 1903 add to the attractiveness of this volume.

After opening, Past Grand Matron, Sister Goddard, in a fine address presented the Grand Chapter with the American flag, which will float over all its future sessions. In part she said: "Let us ever be true to the principles it teaches, as by these colors we are reminded of the love of Electa, the purity of Esther and the Fidelity of Adah. May we practice these virtues in our daily lives, and thus be loyal to our Order and our Flag."

Cordial words of greeting from Sister Pitkin welcomed the guests to Chicago. The Associate Grand Matron accepted the welcome in behalf of the Grand Chapter.

The Most Worthy Grand Matron, Mrs. Madeleine B. Conkling, was royally welcomed. She was made an honorary member of this Grand Chapter, and was the one chosen to present a beautiful watch to the Grand Matron, a gift from her home Chapter. She, in turn, was the recipient of many gifts.

Mrs. Mary R. Inghram, Grand Matron, presents the report of a busy year. She was present at six regular arranged schools of introduction, six special schools, installed the officers of four Chapters, made seventy-seven official visits, traveled 11,653 miles, wrote 2739 letters, sent out 500 "Letters of Greeting," and was present at the Grand Chapter of Missouri and the General Grand Chapter, was made an honorary member of nine Chapters.

The Grand Patron, Harris W. Huehl, gives a detailed account of official duties, which were performed with the best interests of the Order at heart. He has labored for the Home with persistent zeal. Dispensations for the organization of seventeen Chapters were issued by him. Three hundred and twenty-four members have answered the "Final Summons," many having lost their lives in the Iroquois fire. Some could only be identified by the Star they wore.

We are told that the Order of the Eastern Star possessions at the Home in 1896 were worth but \$100, while to-day they are valued at \$27,269. An addition to the building, costing \$15,000, has been built and furnished. Thirty-five hundred dollars were voted from the Grand Chapter proceeds for the good cause. Cash receipts for the Home during the year, \$6366.86.

After the installation came a shower of beautiful gifts. Not being satisfied with presenting all they could in Grand Chapter, some of the Grand officers were told that gifts awaited them at their homes.

The proceedings of thirty-six Grand Chapters are reviewed by Mrs. Sadie B. Morrison, in a most entertaining manner. Texas is honored.

Number of Chapters, 447; U. D., 18. Membership, with twenty-one Chapters to hear from, 32,544; net gain, 2290. Grand Treasury balance, \$7,702.20.

Next annual meeting in Chicago October, 1905.

GRAND OFFICERS.

Mrs. Kate Aull Heath, Danville.....Grand Matron.
Mr. Fred E. Glenn, St. Charles.....Grand Patron.
Mrs. Mate L. Chester, 914 Warren Avenue, Chicago,
Grand Secretary.

INDIANA.

The thirty-first annual meeting was held in the city of Indianapolis, April 26, 1905.

It is with feelings of particular pleasure that I find myself reviewing the proceedings of my native State. The Grand Matron, Annie M. Barnes, presided with all Grand officers present except one. There were also present twenty-four Past Grand Matrons and Patrons, 630 representatives from 228 of the 242 chartered Chapters.

Sister Madeleine B. Conkling, Most Worthy Grand Matron, and Sister Lillian Wiggs Gatch, Past Grand Matron of Kansas, were present as honored guests of the Grand Chapter, and there were also a large number of visitors from the subordinate Chapters of Indiana.

The address of the Grand Matron is an excellent one. Before giving an account of her official acts during the year, she speaks in loving remembrance of those who have crossed over the river.

"Their toils are past, their work is done,
And they are fully blest;
They fought the fight, the victory won,
And entered into rest."

The Grand Matron appointed twenty-five Grand Representatives, and with pleasure acknowledges the honor of representing eight States. Twenty-seven dispensations were issued, twenty-four decisions rendered, several recommendations offered and many letters written; visited sixty-four Chapters.

The Grand Patron's, Brother William Conrad, address follows. He reports twenty dispensations for new Chapters; instituted personally, six.

The Grand Secretary presents a good report. Including the thirteen Chapters U. D., there are under the jurisdiction of the Grand Chapter of Indiana 255 Chapters, with a membership of 18,398. Receipts \$4914.72; disbursements, \$4853.25; balance in treasury, \$5418.37.

Portraits of the Grand Matron and Grand Patron are printed in the proceedings.

Fraternal Correspondent reviews the proceedings of thirty-nine Grand Chapters, Texas among the number.

Next annual meeting will be held in Indianapolis, April 25, 1906.

GRAND OFFICERS.

Mrs. Agnes I. Hartsuck, Kendallville...Grand Matron.
Frank M. Forkner, Hartford City.....Grand Patron.
Mrs. Nettie Ransford, Indianapolis...Grand Secretary.

IOWA.

The twenty-seventh annual session was held at Waterloo, October 26, 27, 1904. It is a pleasure to say all Grand officers were present. Credential Committee's report shows 318 Chapters represented; also present seven Past Grand Matrons, three Past Grand Patrons, two Grand Deputies, making a total vote of 1118.

Sister Jessie Martin was conducted to the East and spoke the words of welcome. She begins her "Welcome" in the following witty strain: "It is customary for the Mayor to extend a welcome and accord the freedom of the city to visiting delegates on an occasion of this kind, and this custom is both right and proper; but, having sewed on buttons and fried pancakes for the Mayor of this city for a number of years, I propose to welcome you to Waterloo myself, without the aid, assistance or consent of any masculine representatives of the genus homo." A bright, wide-awake response is made by Sister Allena Ward.

The Grand Matron reported her stewardship for the year. She had appointed a Deputy Grand Matron for each of the ten districts. She reported 20 new Chapters, and everthing ready to institute another. Either the Grand Matron or one of her Deputies visited 286 Chapters. She had arrested the charters of three Chapters, and gave a fine report of her attendance at the General Grand Chapter held in St. Louis.

A. L. Linder, Grand Patron, has an excellent report. He says some fine things on balloting that every member should ponder well. On the question of Eastern Star and Masonic Home he grows eloquent. Per capita receipts for the Home this year were, \$3,288.10; from life memberships, etc., \$562.92, and last but not least, a gift of \$100 from Mrs. Lorraine J. Pitkin with her message of greeting.

This volume, excellently arranged and printed in a cover of green and silver, is adorned with a splendid picture of the new Home, located at Boone. We also see the picture of Sister Maria Jackson, Grand Matron 1891-3, Grand Secretary 1893-1905, and further on the eyes rest on a picture of the beautiful Eastern Star memorial case for Brother Theodore S. Parvin, Past Grand Secretary of the Grand Lodge A. F. and A. M., and of our Order, which is in the Masonic library at Cedar Rapids, and was purchased by the Grand Chapter.

Statistics: Number of Chapters, 343; membership, 21,610; gain, 1,983; cash on hand, \$10,625; Home fund, \$3,635.05; charity fund, \$836.46.

Sister May C. Monroe briefly and ably reviewed thirty-nine volumes of proceedings. Texas receives a full page.

The next annual session will be held in Davenport, October, 1905.

GRAND OFFICERS.

Mrs. Fanny M. Sever, Stuart.....Grand Matron.
P. J. Martin, Waterloo.....Grand Patron.
Mrs. Maria Jackson, Council Bluffs...Grand Secretary.

KANSAS.

The twenty-ninth annual session was held in Fort Scott, May 10, 1905. There being a constitutional number of subordinate Chapters represented, the Grand Chapter was opened in ample form, all the Grand officers being present. An address of welcome was given by Mrs. Susie Wood, and responded to by Mrs. Carrie E. Yates, Associate Grand Matron.

Grand Matron, Sister Katharine S. Hughes, presents a business-like report, showing that she had the good of the Order at heart. One thousand seven hundred and seventy-four letters written; 7907 miles traveled; eighty-one chapters visited; two chapters constituted; forty-one special dispensations granted; ten Grand Representatives appointed; six Grand Representatives recommended; six commissions issued; recommendations, five.

Grand Patron, John C. Fry, says: "Perhaps it will not be out of place at this time to say a few words about some things which both officers and members should feel themselves honor bound to do. They should be in their places promptly, and see that their Chapters are open on time. They should be watchful and zealous as to the reputation of their Chapters, and should not hesitate to enforce discipline against willful offenders." It was his privilege and pleasure to grant dispensations for the organization of eleven new Chapters.

Financial Statement:—General fund, \$3533.82; Masonic Home fund, \$1911.92. Number of members, 14,982.

During the installation flowers were very profuse, altogether fifteen bouquets being presented.

The Committee of Correspondence reviews forty proceedings. Texas is remembered.

Next annual session at Wichita, May, 1906.

GRAND OFFICERS.

Carrie E. Yates..... Grand Matron.
E. H. Anderson..... Grand Patron.
Mrs. Della Bennett..... Grand Secretary.

KENTUCKY.

The second annual session was held in Louisville, October 17, 18 and 19, 1904.

Grand Chapter opened with ten Grand officers and representatives from twenty-five subordinate Chapters present. The Grand Chapter was opened in ample form by the Grand Matron, Mrs. Kate I. Thomas.

Brother Robert Morris gave a splendid address of welcome, among other things he says: "Personally, this meeting brings to my heart a sacred tie and memories most dear. When I look back fifty years and find the beautiful conception of the Eastern Star first formed in the mind of my dear old father, who in after years brought this beautiful system to the form in which we now see and enjoy it, I am made to feel proud to have the pleasure of standing before you and to receive all the honors my heart could wish." We are pleased to note that he has been elected Associate Grand Patron of Kentucky, and hope to see him advance steadily along the line, until at last he shall stand on the topmost pinnacle, a proud observer of the far-reaching rays of our beautiful Eastern Star.

An able response was given by A. P. Gooding, Associate Grand Patron. The Grand Matron learned a lesson from the floral clock at St. Louis. She paid her own expenses visiting the Chapters. Under "Decisions" we find that a one-armed person is not eligible to the degrees. Also in a case where one of the principal officers had gone insane, it was ruled that the office should not be declared vacant, but the unfortunate one "be given aid in her misfortune."

Dispensations for nine Chapters were issued by the Grand Patron, R. H. Carothers.

Statistics: Chapters, 33; membership, 1459; gain, 473; cash on hand, \$197.02.

A Home fund was raised amounting to \$956.75.

MAINE.

The twelfth annual was held at Biddeford, May 18 and 19, 1904.

Grand Chapter was called to order by the Worthy Grand Matron, Mrs. Rose C. Johnson. All but two Grand officers were present. Sixty-nine subordinate Chapters were represented and ten Past Grand officers added dignity and experience to the occasion.

John B. Lowell of Adah Chapter No. 1 extended cordial welcome. In part, he said: "When our Star first appeared in the firmament, its advent was greeted by many among our Masonic fraternity as a harbinger of evil to the craft; but its calm and benignant ray has gradually dispelled the clouds of suspicion and prejudice, and with few exceptions it is now accepted as a messenger of 'Peace on earth, good will towards men.' To-day it shines with increasing luster, and is recognized throughout its jurisdiction, which is as universal as the Masonic world, as a star of the first magnitude."

The response was given by the Associate Grand Matron, Sister Grace M. Ames.

The Grand Matron presents an interesting report. Her address is exceedingly business-like. She says: "I come to you with no elaborate literary production. With so much business before us and so short a period for the transaction thereof, we have but little available time for entertainment, and whatever is done in that line should be directly connected with the work of the Order in this State." She visited forty Chapters and held four schools of instruction. Three-fifths of the Chapters were reached by these schools and much good was believed to have been accomplished in this manner.

Arthur W. Ricker, Grand Patron reports seventeen new Chapters but claims no special credit for them, as the majority of the petitions came voluntarily. His decisions are good ones, and he recommends that Chapters be limited to ten rituals and be fined five dollars for each one lost.

The Secretary's report is in good form. Number of Chapters, 95; U. D., 17; membership, 8814.

The correspondence is from the pen of Mrs. Annette H. Hooper, Grand Secretary. Sister Hooper is entering upon her eighth year as Fraternal Correspondent. Texas is remembered.

The Grand Matron, Annie E. Blodgett, has a good report. She appointed ten deputies, granted 29 dispensations, made four decisions and two recommendations, visited twenty-five Chapters.

At high noon the Grand Patron announced that the Grand Chapter would for a few moments hold a "Lodge of Sorrow" in remembrance of deceased sisters and brothers. The Grand Matron in a few words extended the sympathy of the Grand Chapter to those who had been afflicted by the loss of dear ones and asked the members to rise during the reading of the names of those who had died during the past year.

"One by one they are drifting away,
Over the breast of the silent sea;
One by one they are passing o'er
To the home that awaits them on the other shore."

MICHIGAN.

The thirty-eighth annual was held in Saginaw, October 12 and 13, 1904.

This pure, white-bound volume, with a colored star on the outer cover, is well printed, and embellished with several pictures.

Grand Chapter opened with a full attendance of Grand officers, and representatives from two hundred and eighty-seven subordinate Chapters. Sixteen Past Grand Matrons and twelve Past Grand Patrons added dignity and wisdom to the occasion, and were received with courtesy due them. Rev. Willis D. Engle, Past Grand Patron, of Indiana, honored them with his presence and made an address. The Grand Representatives were introduced at this time, and each spoke a few words of greeting from the Grand Chapter she represented.

A cordial welcome, expressing sincere and hearty fraternal fellowship was extended by Sister Ellen Shimmors, of Bethlehem Chapter, which was responded to in the same spirit by Brother Leo A. Caro.

The Grand Matron, Mary R. Tubbs, did a large amount of work, although her heart was heavy with grief for the loss of her devoted husband and companion, who, on October 3, 1903, passed to that land "from whence no traveler returns." She reports seven new Chapters instituted and six Chapters U. D., granted 128 dispensations and rendered 17 decisions. That her work was appreciated was shown by her reelection. However, she declined to serve a second term.

A brief report, strictly business, from the Grand Patron, tells of his official acts "performed with much pleasure." Reports nine new Chapters, seven organized by himself, and with the recommendation that two Senior Past Grand Matrons receive jewels, signs himself "Lewis C. Goodrich."

The Grand Secretary and Grand Treasurer both make fine reports. A revision of the Constitution was considered in sections and amended and adopted as a whole, and includes many changes.

MINNESOTA.

The twenty-sixth annual session was held in St. Paul, May 11 and 12, 1904.

Minnesota is evidently proud of her officers. We find likenesses of not only the incoming Grand Matron and Grand Patron, but also of the Grand Secretary, Grand Treasurer and Fraternal Correspondent, all of which add interest to an already pleasing volume.

About 800 members enjoyed a reception and entertainment given the evening previous by the five local Chapters. The departments of the Temple were handsomely decorated with flowers and palms and the refreshments were served from five small tables, each constituting the point of a high star of appropriate colors. The center of the Star was banked with flowers and on it burned five candles, each carrying out the color effect. Constellation Chapter exemplified the ritual work, conferring the degrees on five candidates in an excellent manner.

Governor S. R. Van Sant, of Minnesota, a member of one of the local Chapters, was presented, and addressed the assembly, praising woman in general and especially in regard to her work in connection with the Order of the Eastern Star.

The address of welcome was by Sister Earhuff of Mistletoe Chapter. Brother Valentine made the response, at the close of which he surprised Governor Van Sant by reminding him of his natal day and presenting him a beautiful cut-glass set, punch bowl, dozen glasses and mirror tray. This was also the forty-sixth anniversary of Minnesota's admission to the Union.

A fine address is from the Grand Matron, Mrs. Carrie W. McCauley, just what we expect from one who has been chosen leader of this Grand Chapter for three years.

The Grand Patron, Brother W. D. Haycock, did not find the office to be one of idleness. His address is excellent. He visited much and organized ten Chapters.

Sister Julia E. Moore reviews the proceedings of thirty-six Grand Chapters, Texas among the number.

Statistics: Chapters, 164; membership, 10,760; gain, 679. Balance in general Fund, \$3098.15; balance in Widows' and Orphans' Home fund, \$2808.82. Number of proceedings, 1200.

H. L. Merrill, Hutchinson.....Grand Patron.
Mrs. Mary C. Taylor, Minneapolis...Grand Secretary.

MISSOURI.

The thirtieth annual session was held in St. Louis, September 29 and 30, 1904.

The Proceedings of this State are printed in a very neat volume, in which we find a picture of Festival Hall and Cascades. This adorns the first page, while farther on we find portraits of the Grand Matron, Grand Patron and Grand Lecturer.

Sister Mary Jean White, Grand Matron, called the Grand Chapter to order and directed the Grand Marshal to proclaim it duly opened for the transaction of whatever business might be brought before it. Four Grand officers were absent. Many distinguished visitors were present, who, with twenty-three Past Grand Matrons and Past Grand Patrons were presented, escorted to the East and accorded the Grand Honors. A most enjoyable pilgrimage was made to the Masonic Home, where a sumptuous repast was spread, and the building inspected under the guidance of the children.

Sister Ethel Stansbury, Worthy Matron of a local Chapter, gave an eloquent address of welcome. A sympathetic response was given by Sister Linda J. Sears, Associate Grand Matron.

The address of the Grand Matron, who is both young and clever, is an excellent production, showing the enthusiasm of youth combined with a study of the needs of the Order. She had the courage of her convictions to refuse all requests for dispensations to railroad candidates into the Order. She referred 209 questions to the Constitution, and said in every case the law was plain and could easily be found by taking the trouble to look. However, eighteen decisions were required to dispose of such as could not be so referred. She visited many of the Chapters, traveling over nine thousand miles, installed officers of thirteen, instituted five, assisted at the institution of four and constituted two; wrote 6572 letters—a very busy woman. She says: "I can not forbear mention of the generous brotherly loyalty and courtesy extended everywhere by the Masonic fraternity. In several instances important meetings of their own were called off for the visit of the Grand Matron. In traveling no inconvenience was too great and no Mason in too great a hurry to render all possible assistance to the wearer of the Missouri gavel within the Star."

From the report of the Grand Patron, Brother E. E. Coddling, we learn of the instituting of eighteen Chapters. In his loyalty he has referred all requests for decisions, or points of their organic law, promptly to the Grand Matron.

The Grand Secretary, Sister Sallie E. Dillon, gives a fund of information in her report. Missouri has about 250 active Chapters. Receipts: \$11,776.55; disbursements, \$5,792.88; balance, \$5,983.67. Membership, 14,100. Forty-two district and fifty-two special schools of instruction were held by Mrs. Ella T. Deiss, Grand Lecturer.

The Masonic Home report makes a fine showing. Pledges to charity fund were received, amounting to \$443; cash Christmas offerings, \$93.00, and the returns on Eastern Star Home day, \$923.61. Sixty-seven old people and seventy-nine children are cared for in this institution. A 15 cent per capita Home tax is levied and at this session \$1000 was donated to the Board to assist in the erection of contemplated new buildings.

An attractive picture of the Order of the Eastern Star headquarters at St. Louis is given in the proceedings.

The Fraternal Correspondent is, as a rule, a sister, but in this jurisdiction, Brother W. F. Kuhn, Most Worthy Grand Patron of the General Grand Chapter, fills the office. He reviews the proceedings of 32 Grand Chapters.

Next annual, St. Louis, September 17 and 18, 1905.

GRAND OFFICERS.

Mrs. Linda J. Sears, La Plata.....Grand Matron.
Louis Moller, 2222 Pine Street, St. Louis...Grand Patron.

MONTANA.

The fifteenth annual session was held in Helena, October 6 and 7, 1904. The Grand Chapter was called to order at 8:00 o'clock P. M. by Sister Allie Sorenson, Grand Matron. All Grand officers except four were present. A good number of Past Grand Matrons and Past Grand Patrons were present and were given seats in the East. Afterwards committees were appointed, when the Grand Matron declared a recess until 9:00 o'clock the following morning for the purpose of celebrating the "Crystal Anniversary of the Grand Chapter."

Sister Bertha Witmer, Worthy Matron of the local Chapter, in a few words warmly welcomed all present, which was responded to by Sister Julia Hammer, Associate Grand Matron.

Opposite the Grand Patron's name we find a heavy black line, and note that he died about a month after the previous session of the Grand Chapter. This Sister Jurisdiction also mourns the loss of Past Grand Matron Sister Wood. We deeply sympathize.

The Grand Matron reported four Chapters constituted, with several Chapters to be instituted in the near future. She visited twenty-nine Chapters and a confusion of dates prevented her visiting the remaining four.

In the place of Grand Patron's report, the Associate Grand Patron Brother Hindson, made appropriate remarks upon the loss of their Grand Patron, and paid a high tribute to his ability as a man, and also as an officer.

The Grand Secretary, Sister Elva Boardman, gave a concise report of duties performed. Chapters, 38; members, 2237; gain, 172. Balance on hand, \$1571.44. Home fund, \$437.67.

The fourteenth annual session was held at Weirs, September 7 and 8, 1904.

The bright faces of the Grand Matron, Martha A. Safford and Grand Patron, Charles L. Wallace, greet us in this volume, which is dressed in cream and white.

The Grand Chapter was opened in form, the Grand Matron presiding and fourteen Grand officers present. Thirty-six of thirty-eight chartered Chapters were represented. Three Past Grand Matrons and three Past Grand Patrons were present. The reports of the Grand Secretary and Grand Treasurer and the reception of the Grand Representatives preceded the address of welcome, but the "welcome" was not, by any means, lacking in cordiality by reason of coming so late in the day.

The Grand Matron presented a report of her official duties, prefaced by encouraging words pertaining to the Order in that jurisdiction. She had granted a waiver of jurisdiction in five instances. Our sister is a firm believer in the wisdom of refusing special dispensations. She made fifteen visits, and rendered five decisions, which were all approved.

The Grand Patron reports one dispensation, granted to organize a new Chapter, which he instituted. He also makes five good recommendations and made several official visits. His address shows much good work accomplished.

The Chaplain makes the necrological report.

The seventeenth annual session was held at Bellingham, June 15, 1900. The Grand Matron, Mrs. E. Belle Marcy, called the Grand Chapter to order. All Grand officers present except four. Address of welcome by

Mrs. Mary E. Cade, Worthy Matron of Schome Chapter. She also presented the distinguished guests and all Grand officers with a beautiful bouquet of flowers. Response by Mrs. Nellie W. Guernsey, Associate Grand Matron.

The Grand Matron presents a very pleasing report, she having visited every chartered Chapter and three U. D. Chapters.

Number of Chapters, 77; membership, 6232; gain, 668. Cash on hand, \$2978.65.

The work was exemplified by Myrtle Chapter, who also gave the new addenda, "The Guiding Star."

Emma P. Chadwick, Past Grand Matron, gives an excellent report on correspondence, in which Texas is included.

Next annual, Spokane, June 15, 1905.

The fifteenth annual session was held at Milwaukee, February 22 and 23, 1905. The Grand Chapter opened in full form, the Grand Marshal being the only absent officer. Nineteen Past Grand officers and Representatives from one hundred and fifty subordinate Chapters were present.

The Grand Matron, Mrs. Alice M. Bashford, bids us "Not forget that the deeds of to-day make history for the future." She reports twelve Chapters constituted; nine Deputies appointed, a school of instruction being held for them, and many dispensations granted, and refused several, as she thought "it not wise to make regulations and then set them aside for trilling reasons." She made thirty decisions, all but two being approved, and made three recommendations.

The Grand Patron, Brother J. W. Watson, reported the Order as showing a strong, healthy growth and onward progression.

A concise review is presented by Cassandra P. Dyer, Texas receiving kindly consideration.

This volume is in pure white, showing the gleaner Ruth with arm-full of barley.

The seventh annual session was held at Evanston, August 16, 1904. Ten Grand officers were present and these were escorted to their stations.

A brief address of welcome was given by the Worthy Matron of the local Chapter, to which an appropriate response was given by the Associate Grand Matron.

The Grand Matron, Sister Julia E. Snyder, worked faithfully, visiting all the Chapters in the State except three, and these she had dates for, but her husband had the misfortune to lose his right limb and she accompanied him to the hospital. We are sorry indeed for you, and hope ere now that all is well.

Brother Charles H. Townsend, Grand Patron, reported the past year as the most prosperous in the history of that Grand Chapter. He had granted dispensations for four new Chapters.

A reception, a drive through the city, a visit to its public buildings, and a banquet tendered by Evanston Lodge A. F. & A. M. and Esther Chapter, closed a most satisfactory session.

Sister Ellen Judd Tilton, Fraternal Correspondent, submitted a praiseworthy, yet brief review of the proceedings of thirty-three Grand Chapters, Texas not being one of the fortunate number.
